## How Do You Youtube Shorts Ideas Ideas For Men:

**Young Men's Online Lives** Amanda Keddie, Michael Flood, 2025-09-26 This Palgrave Pivot offers insight into the factors that influence motivate and inform young men's online experiences In Australia and globally recent media and public discourse has expressed strong concerns about the gender based harms arising from young men's online behaviours these concerns have prompted renewed scrutiny on boys and masculinity and produced a sense of urgency around addressing these online harms They have provided a strong warrant for research that seeks to better understand how young men are navigating their online worlds This book presents findings from a qualitative study of 117 young men in Australia In foregrounding a diversity of young men's voices the book responds to calls for more nuance and care in how we debate the gendered impact of social media on young men's lives As such we highlight the tensions and complexities in how young men navigate negative and positive online experiences including their critical engagement with harmful content Against this backdrop the book presents a case for fostering young men's critical digital dispositions towards more gender just engagements online It provides a conceptual framework and series of activities for fostering these dispositions The book will be of interest to students and researchers in critical masculinity studies sociology psychology public health and media and internet studies as well as practitioners who work with young men Man Up Cynthia Miller-Idriss, 2025-09-16 Renowned extremism expert Cynthia Miller Idriss explains the gendered lenses that underpin hate fueled and political violence Provided by publisher *The Routledge Handbook of Conflict and Peace Communication* Stacey L. Connaughton, Stefanie Pukallus, 2024-10-29 This handbook provides a comprehensive review of research in conflict and peace communication and offers readers a range of insights into foundational ongoing and emerging discussions in this field The volume brings together peace studies conflict studies and communication studies to acknowledge the power of communication both cooperative solidarizing and integrative as well as destructive and divisive in constituting social relations It features a multiplicity of authors including academics and practitioners from all corners of the globe and from across the communicative spectrum The handbook is divided into four parts 1 Meta theoretical theoretical and methodological approaches in conflict and peace communication research 2 Conflict communication 3 Peace communication and 4 Cross cutting and emergent themes This handbook is essential reading for scholars research driven practitioners graduate level students and upper level undergraduate students in conflict and peace communication within disciplines such as communication studies political science international relations security studies and human rights *How to Talk to Your Son about Fascism* Craig A. Johnson, 2025-03-04 How to Talk to Your Son about Fascism is a practical guide for parents carers and others with young men in their lives on how to talk with those young men about fascism and the right wing which specifically and particularly preys on them for recruitment Its central goal is to present research history and analysis about how and why the right wing recruits young men to parents educators and anyone with a young person in their lives The book

covers the history of right wing recruitment of young men explaining why the right wing focuses on recruiting men both on a theoretical basis and through the logic of movement building and then moves to practical analysis and suggestions for how to counter recruitment today Recommendations come from excerpts and existing scholarship Readers will come out of the book with a better understanding of what fascism is and how it works how it preys on young men how it recruits and appeals to them and how to stop this from happening This book will be of interest to antifascist researchers and activists as well as parents carers and the general reader concerned about the rise of the extreme right **Complicit** Reah Bravo,2024-06-18 A brave book that imbues MeToo era discourse with a fresh voice Kate Bolick New York Times bestselling author this is a thoroughly researched and deeply personal examination of how women unintentionally condone workplace abuse and what we can do to change things for the better When Reah Bravo began working at the Charlie Rose show the open secret of Rose's conduct towards women didn't deter her from pursuing a position she thought could launch her career in broadcast journalism She considered herself more than capable of handling any unprofessional behavior that might come her way But she soon learned a devastating truth we don't always react to abusive situations as we imagine we will When we live in a society where many feminist ideals are mainstream and women hold positions of power how is it possible that sexual misconduct remains prevalent When many employers mandate trainings to prevent harassment of all kinds why is workplace abuse still so rampant Weaving her own experience with those of other women and insights from experts Bravo reveals the psychological and cultural forces that make us all enablers of a sexist and dangerous status quo At a critical time in the ongoing fight for gender and racial justice Bravo has written an empathic and concise book that will inspire the next generation of voices courageous enough to rage against the machine Rebecca Carroll author of *Surviving the White Gaze*

**Teaching Japan: A Handbook** Ioannis Gaitanidis, Gregory Poole,2025-10-01 This book aims to offer ideas and examples of pedagogy in the undergraduate classroom The basic premise taken by the authors begins with a question What if stereotypes surrounding Japan were not pushed to the margins in teaching but took center stage and were exposed for the multiple ways that they can be used to learn not only about Japan but of various scholarly disciplines The task then becomes constructing ways to challenge essentialist notions that do not seek merely to deny but to shift the conversation constructively by encouraging engagement with a theoretical field from which to acquire tools to critically and effectively evaluate stereotypes of Japan or other societies The result is a collection of carefully crafted case studies of syllabi that showcase pedagogies aimed at the deconstruction of concepts such as Japan Japanese or Japanese society while at the same time offering skills of inquiry that transcend the topics being deconstructed This handbook is a source of ideas from colleagues in a variety of disciplinary and institutional settings who are tackling the same issues current or future teachers who plan to use case studies from Japan in their lectures **Challenging Gender Stereotypes in the Early Years** Susie Heywood, Barbara Adzajlic,2022-09-14 What does gender equity mean for early years practitioners What are early years

settings already doing to promote gender equality and why is this so important How can we provide children with a solid basis from which they can grow into people who are not limited by society's expectations of their gender This is a manual for every early years practitioner who wishes to expand their knowledge and improve their practice around gender stereotyping in the early years Drawing from the authors experience developing a public health programme tackling gender stereotypes it explores the reasons why gender inequality is still an issue identifies the ways it is perpetuated and provides a framework and practical tools to drive change The framework includes an audit process to celebrate areas of success and to identify areas for development alongside a host of suggestions on how to navigate tricky situations in creative respectful and effective ways With the voices and experiences of experts and practitioners woven throughout alongside key reflections and scenarios to critically engage with *Challenging Gender Stereotypes in the Early Years* challenges readers to consider their own practice drive staff awareness and make a difference to their setting
