operating systems to reflect a more collective decision making approach fit for the new connected economy and Industry 4.0 embrace mindset quotients that support people working in a more networked self organising and collective environment The book is important reading for leaders and managers who are focused on building organisational capital and engagement and gaining value from the emerging technology by evolving their business operating system into a digital ecosystem as part of an ongoing digital transformation strategy It will also appeal to experts working in the field of organisational change and development both within the organisation and as consultants

**The Anti-Ableist Manifesto** Tiffany Yu, 2024-10-08 I defy anyone who reads this powerful and urgently needed manifesto not to be galvanised into action Sophie Morgan TV host and author of *Driving Forwards* A call to arms not just for the disabled community but for every single one of us Dr Shani Dhanda broadcaster and author *An actionable antidote to fear and misconceptions* Service95 In *The Anti Ableist Manifesto* Tiffany Yu highlights the myriad ways in which our society discriminates against people with disabilities and what we can do about it Foregrounding disabled identities that have too often been rendered invisible she demonstrates how ending discrimination begins with self reflection From recognising biases to understanding microaggressions *The Anti Ableist Manifesto* teaches us how to deconstruct ableism at work in our communities and within ourselves Featuring a foreword by Dr Shani Dhanda as well as contributions from disability advocates entrepreneurs and more *The Anti Ableist Manifesto* is an essential guide to going beyond mere awareness and becoming actively anti ableist

**The Friction Project** Robert I. Sutton, Huggy Rao, 2024-01-30 The definitive guide to eliminating the forces that make it harder more complicated or downright impossible to get things done in organizations Find out why Adam Grant says If every leader took the ideas in this book seriously the world would be a less miserable more productive place Every organization is plagued by destructive friction Yet some forms of friction are incredibly useful and leaders who attempt to improve workplace efficiency often make things even worse Drawing from seven years of hands on research *The Friction Project* by bestselling authors Robert I Sutton and Huggy Rao teaches readers how to become friction fixers Sutton and Rao kick off the book by unpacking how skilled friction fixers think and act like trustees of others time They provide friction forensics to help readers identify where to avert and repair bad organizational friction and where to maintain and inject good friction Then their help pyramid shows how friction fixers do their work from reframing friction troubles they can't fix right now so they feel less threatening to designing and repairing organizations The heart of the book digs into the causes and solutions for five of the most common and damaging friction troubles oblivious leaders addition sickness broken connections jargon monoxide and fast and frenzied people and teams Sound familiar Sutton and Rao are here to help They wrap things up with lessons for leading your own friction project including linking little things to big things the power of civility caring and love for propelling designs and repairs and embracing the mess that is an inevitable part of the process while still trying to clean it up CIO. , 2008 [The Education We Need for a Future We Can't Predict](#) Thomas Hatch, Jordan Corson, Sarah Gerth van den Berg, 2021-01-19 Improve Schools

and Transform Education In order for educational systems to change we must reevaluate deep seated beliefs about learning teaching schooling and race that perpetuate inequitable opportunities and outcomes Hatch Corson and Gerth van den Berg challenge the narrative when it comes to the grammar of schooling or the conventional structures practices and beliefs that define educational experiences for so many children to cast a new vision of what school could be The book addresses current systemic problems and solutions as it Highlights global examples of successful school change Describes strategies that improve educational opportunities and performance Explores promising approaches in developing new learning opportunities Outlines conditions for supporting wide scale educational improvement This provocative book approaches education reform by highlighting what works while also demonstrating what can be accomplished if we redefine conventional schools We can make the schools we have more efficient more effective and more equitable all while creating powerful opportunities to support all aspects of students development You won t find a better book on system change in education than this one We learn why schools don t change how they can improve what it takes to change a system and in the final analysis the possibilities of system change Above all The Education We Need renders complexity into clarity as the writing is so clear and compelling A powerful read on a topic of utmost importance Michael Fullan Professor Emeritus OISE University of Toronto I cannot recommend this book highly enough Tom tackles long standing and emerging educational issues in new ways with an impressive understanding of the challenging complexities but also feasible possibilities for ensuring excellence and equity for all students Carol Campbell Associate Professor Ontario Institute for Studies in Education University of Toronto
