New Short Form Content Ideas For Men:

Mad Men Unzipped Karen E. Dill-Shackleford, Cynthia Vinney, Jerri Lynn Hogg, Kristin Hopper-Losenicky, 2015-12-15 This is the story of the Mad Men fan phenomenon how the show and its fans distinguished themselves in a market where it's hard to make an impression not unlike the driven ad execs at the center of the show In this book four media psychologists who also just happen to be dedicated Mad Men fans explore how the show's viewers make meaning from fictional drama The authors also interviewed several contemporary advertising industry professionals getting their inside view of the business in its modern guise and what they make of the show's vision of their past The result is cutting edge psychological research that crunches and codes online fan commentary to understand the ways that people use the show to debate complex social issues from sex and alcohol to gender roles parenting and advertising itself What do the 1960s mean to us today and how well does the twenty first century measure up against that famously turbulent decade Which characters do fans identify with and which ones do they love to hate How would fans unfurl the Mad Men storylines if they were in charge What makes a good man and has it changed over time How should husbands and wives treat each other and how should parents treat their children In answering these questions the authors explore not just the online commentary but also Mad Men fans fan fiction cosplay cocktail making and vintage furniture collecting Whether tweeting as one of the main characters or just a lowly mail clerk setting Peggy up with the man who'll treat her right or figuring out just which Mad Man they are at heart fans integrate the show into their lives and use it to make sense of their own choices in work leisure and love **Man Up** Cynthia

Miller-Idriss, 2025-09-16 The revelatory and urgent story of how an explosion of misogyny is driving a surge of mass and far right violence throughout the West from an internationally recognized extremism expert and media commentator What two things do most mass shooters terrorists or violent extremists have in common Most of us know the first they are almost always men or boys But the second They are almost always virulent misogynists homophobes or transphobes even if they are also motivated by racism antisemitism or xenophobia The antigovernment militiamen charged with plotting to kidnap and execute Michigan governor Gretchen Whitmer used language saturated with misogyny with one telling an FBI informant Just grab the bitch The men who killed scores at Virginia Tech the Pulse nightclub and a Maryland newsroom all had prior reports of stalking domestic violence or harassment of women And in dozens of other incidents from North America to Norway to New Zealand an increasing number of misogynist incel involuntary celibate and male supremacist attackers have explicitly targeted and killed women blaming feminism or sexual frustration with women as motivation for their attacks Yet despite all evidence the bright red thread of misogyny running through these attacks is barely acknowledged by the media or even experts and this failing leaves us powerless to stop the violence In **Man Up** Cynthia Miller-Idriss a leading expert on extremism addresses this crucial oversight head on revealing how an epidemic of misogyny both online and off and a patriarchal backlash are driving an exponential rise in mass and far right violence She also offers essential strategies that all

of us including parents teachers and counselors can use to fight the rising tide of violence beginning with recognizing the misogyny that pervades our everyday lives **Ephemeral Media** Paul Grainge,2017-10-20 Ephemeral Media explores the practices strategies and textual forms helping producers negotiate a fast paced mediascape Examining dynamics of brevity and evanescence in the television and new media environment this book provides a new perspective on the transitory and transitional nature of screen culture in the early twenty first century *AI Marketing* Eliane Karsaklian,2025-04-04 This book demonstrates how brands use AI to entice customers and discusses the use of AI as a competitive advantage for marketers Did you know that investors at Wall Street wait for the Groundhog Day s forecast to make their financial decisions Did you know that your favorite influencer is not a real person Did you know that your smartphone works like a magic wand Don t you feel cursed without it You will know all about it in this book Consumers just like you are looking for an effortless life and technology is making it possible with self driving and self parking cars smart houses beds automatically adjusting to one s sleeping needs and robot vacuuming homes all without human intervention while we share our personal QRcodes Brands bring you magical solutions Mr Clean Magic Eraser L Oreal Magic Roots and you can customize your life by magically creating your own world with the metaverse and the products you want with a 3D printer Technology and magic enclose mysteries that we cannot assess we see the input and the output but no one knows exactly what happens within the process Extensively documented with publications and empirical research this book demonstrates how brands use AI to entice customers It also discusses the use of AI as a competitive advantage for marketers and its deployment around the world Whether you are curious and confused about technology or a marketer without IT background expected to incorporate AI in your marketing strategies this book is for you so put some magic in your life **Marketing Communications** Ze Zook,PR Smith,2016-02-03 Marketing Communications provides a comprehensive overview of every aspect of marketing communications from social media advertising PR and sponsorship to direct selling and merchandizing It presents modern marketing communications theories and tools in an accessible way so readers can fully understand the landscape and achieve better results With a plethora of examples and case studies as well as online support material for lecturers and students this essential textbook will guide students and practitioners through everything they need to know about the changing face of marketing This fully updated 6th edition of Marketing Communications features more of the underpinning theory whilst building on its impressive reputation as a leading practical textbook on the subject Case studies and anecdotes from companies such as Campbell s Soup Spotify Paypal Kraft and Nike focus on recent digital developments to bring the latest marketing tools to life With a particular emphasis on analytics engagement and integration it addresses the integrated offline and online with social media approach to reflect the current state of play for marketing communications experts This edition is also supported by a wealth of online resources including lecture slides for every chapter and self tests for students
