Managing Virtual Teams: Getting the Most from Wikis, Blogs, and Other Collaborative Tools M. Katherine Brown, Brenda Huettner, Charlene James-Tanny, 2006-12-31 **10 Steps to Successful Teams** Renie McClay, 2009-12-01

Most projects or initiatives in today's organizations begin with the formation of a team yet the majority of resources available for this core business activity are long on description and short on advice 10 Steps to Successful Teams provides this missing practical easy to implement advice Using a holistic process oriented approach the book carefully guides readers through the process of building strong new teams or improving even the best existing teams The book includes extensive assessments and tools created just for this book to help team leaders manage conflict and improve communication You will find individual team member and leader self assessments to help focus the team on getting results and to identify areas for improvement One key feature of the book is Tips from Teams Members which is designed to give advice on what works in team environments and how to avoid common pitfalls A similar recurring element throughout the book offers advice from the field to team leaders 10 Steps to Successful Teams is a holistic practical process oriented approach to leading and managing teams focused on achieving organizational results Preview 10 Steps to Successful Teams at Google Book Search

Handbook of Research on Computer Mediated Communication Kelsey, Sigrid, St. Amant, Kirk, 2008-05-31 Technology has changed communication drastically in recent years facilitating the speed and ease of communicating and also redefining and shaping linguistics etiquette and social communication norms The Handbook of Research on Computer Mediated Communication provides academics and practitioners with an authoritative collection of research on the implications and social effects computers have had on communication With 69 chapters of innovative research contributed by over 90 of the world's leading experts in computer mediated communication the Handbook of Research on Computer Mediated Communication is a must have addition to every library collection Human Resource (Talent) Development Ronald R. Sims, 2023-01-01 The rapidly transforming environment that we live in has made human resource development HRD all the more necessary for the success of today's organizations HRD initiatives help their organizations by developing employees who assist their organizations in not only surviving but thriving in our increasingly global world Today's best practice or benchmarked organizations and their HRD professionals continue to recognize the importance of employee learning knowledge skills and motivation to organizational success This recognition increasingly opens many doors as organizational leaders accept the fact that HRD initiatives can be used to ensure that organization members have what it takes to successfully meet the demands that confront them and their organizations This book takes the position that HRD can demonstrate how their initiatives help to develop a superior workforce so that the organization and its individual employees can accomplish their strategic and operational goals in service to their clients or customers This book is written with the belief that HRD professionals have many opportunities to learn change and find ways both in and outside of the workplace to

contribute to the development of learning organizations as we move further into the 21st century A major point of this book is that HRD will continue to become more and more important to organizational success when one considers the increased responsibilities HRD professionals have taken on during and post the COVID pandemic The primary audience for this book is practicing HRM and HRD professionals and other organizational leaders The book provides proven ideas important to demonstrating the value of HRD From a practical viewpoint it is based on actual experience a strong research base and accepted practices presented in an easy to read form A second target audience is students of HRD and HRM who are preparing for careers in this important field This book will help them develop a solid foundation to the study of HRD practices or initiatives that are key to HRD success regardless of the type of organization A third target audience is managers or leaders at all levels of an organization who are expected to take on a number of HRD responsibilities e g as trainers coaches mentors change agents and so on while regularly partnering with HRD professionals It offers these individuals a firsthand look at what they should expect of their HRD functions or areas and how they can effectively work with HRD professionals in their organizations to achieve the organizations strategic goals by getting the most out of its human people
