Caring Hearts and Critical Minds Steven Wolk, 2013. Wolk demonstrates how to integrate inquiry learning, exciting and contemporary literature, and teaching for social responsibility across the curriculum. He takes teachers step by step through the process of designing an inquiry-based literature unit and then provides five full units used in real middle-grade classrooms. Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres, *Caring Hearts Critical Minds* gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about, from media and the environment to personal happiness and global poverty. Wolk shows teachers how to find stimulating real-world complex texts called for in the Common Core State Standards and integrate them into literature units. Publisher's website.

Radical Reporting Sara I. James, 2025-01-31. If I were giving out an award for book of the year for internal audit professionals, I would certainly award it to her outstanding manuscript *Radical Reporting: Writing Better Audit Risk, Compliance, and Information Security Reports*. Richard Chambers, Former President and CEO, The Institute of Internal Auditors. Most people dread writing reports; they also dread reading reports. What they don't realize is that the techniques that make writing more readable make it more powerful. This is especially relevant for professionals in areas such as audit risk, compliance, and information security. This small volume provides the tools and techniques needed to improve reports. It does so through addressing crucial concepts all too often overlooked in the familiar rush to perform tasks, complete projects, and meet deadlines. These concepts: the role of culture in communication, the link between logic and language, the importance of organizing thoughts before writing, and how to achieve clarity, may seem academic or theoretical. They're not. Unless writers understand their own thoughts, actions, and objectives, they cannot hope to communicate them at all, let alone clearly. This second edition develops these points with additional material on critical thinking, as well as the use of AI in reporting.

U.S. News & World Report, 2004-03. **Dictionary Catalog of the University Library, 1919-1962** University of California, Los Angeles. Library, 1963. *Arts & Humanities Citation Index*, 1980. A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals, and it indexes individually selected relevant items from over 6,800 major science and social science journals.
