The Remote Work Blueprint T I Ransome,2020-09-15

Prepare yourself to join the remote revolution with this comprehensive guide Thanks to the advantages of technology and also unfortunately the far reaching effects of a contagion working remotely has never been more prevalent After years of struggling with a long commute and spending extended hours at the office you can now report to work by simply turning on your computer at home It seems like a dream come true No need to dress up brave the traffic and spend much of the day in a lifeless cubicle Instead you can work in peace from wherever you want far from your nagging boss and interrupting colleagues But working remotely comes with its own unique set of difficulties Adjusting from an office with professionally dressed people all around you to working alone in your sweats with only your pets or a few family members as companions isn t an easy transition Remote workers struggle with work life balance time management productivity and loneliness These

challenges may make you question if remote work is feasible for you in the long term But it can be sustainable if you know what to expect prepare yourself to tackle the common challenges and set your routine to make the transition as smooth as possible In The Remote Work Blueprint here is just a fraction of what you will discover How to bring the best of the office environment to your home while keeping the coziness of your home How to smoothly navigate video conferences even if you re technologically challenged The secret to staying socially active when you re rarely around people physically How to successfully fend off distractions from your family or roommates without being rude or distant Accessible workplace alternatives when you re sick of being home all day How to collaborate and communicate effectively with your team when you don t get to see them in person Why putting more restrictions on yourself your colleagues and your family can give you more freedom to focus on the important things An easy motivational hack that s guaranteed to get you out of that funk and get you started on that task you keep postponing A quick adjustment to your daily routine that will immediately shift your mindset and gear you up for work even if you re just at home An indispensable part of any remote worker s schedule that often gets overlooked and how you can make sure you don t neglect it Must have remote working apps you should take full advantage of to boost your productivity and save you precious time And much more The benefits of working remotely can be life changing in many positive ways It can increase work opportunities beyond your present location so you will never again have to turn down a perfectly good job because it s located in another state It can also save you an unimaginable amount of time on commutes allowing more time for family a side hustle or even just to rest It s up to you to take advantage of these benefits by fully equipping yourself for this new working arrangement As remote work is adopted by more and more companies the future of work is no longer in the office building Give yourself an edge from the rest and show that you are ready for the future If you want to achieve even more while working remotely than you ever did in the office then scroll up and click the Add to Cart button right now

33 Tips for Working Remotely Carmen Corral,2020-09-05 Remote working sounds as easy as grabbing your laptop and heading home But if you ve ever tried it you ll know it s not just a question of moving offices There are several barriers and obstacles involved some external others from yourself Working remotely means you have to adapt to a new and different environment and way of working In this book you ll find How to overcome the difficulties companies and people face when starting telework Practical tips to help you adapt to remote working more quickly Productivity techniques for more efficient remote work Time management techniques for more efficient remote working A look at the differences between remote and office work Exercises to help you discover what works for you personally for better remote working The pros and cons of remote working how to make the most of the flexibility remote work offers Secrets to success working remotely Remote work essential tips for working remotely doing your best work in a virtual world This is a book that every remote worker and future remote worker should read whether you re an employee head of Human Resources CEO or entrepreneur This book is for you if You re starting out remote working and you need a

little support to adapt to this new way of working You're already remote working and want to take it up a notch get organized and be more efficient You think you could get a little more out of your day to day work You really want to make the most of the flexibility your telecommute offers This productivity guide to being more efficient while teleworking goes much further than just giving you generic magical formulas that the best leaders supposedly use Here you'll find personal productivity tips to first get to know yourself better and then to adapt those time management and productivity techniques to your remote working needs Don't wait to improve your personal productivity while working remotely online You'll learn skills that will help you in both your professional and personal development The remote work revolution is here and succeeding from anywhere is now possible Many more jobs can be done remotely than we think Most office work could be done from home but there are other things you'd never think of customer service phone lines psychotherapy life coaching yoga teaching Often we ourselves place limits and barriers on these things and need extreme circumstances to make us see that there are other possibilities With remote work office not required and telecommuting will bring many advantages to us and the environment Let's work remotely for a better world The pandemic has forced us into remote working with no clue how to do it without the means without the preparation needed The good thing is that it has given us the great opportunity to work from home which might otherwise have taken years or even decades to arrive Remote work is the new normal There is going to be more and more remote employment It's up to you to adapt to it and to take advantage of all the benefits it holds for your career Carmen Corral has been remote working for more than eight years both for companies and for herself After more than ten years working in Human Resources and Personnel Development stuck in an office from Monday to Friday 9 to 5 she decided to do something that gave her more flexibility in when and where she worked Now she works remotely while traveling the world
