[Virtual Training Tools and Templates](#) Cindy Huggett, 2017-06-27

Are your virtual training tools ready for a tune up? You've discovered the best way to reach remote audiences without boarding a single plane. And you've learned that an effective virtual training program is relatively short, highly relevant, and extremely engaging. Now you need the tried and true tools that will make your next program an all-out success. [Virtual Training Tools and Templates: An Action Guide to Live Online Learning](#) offers proven resources for delivering top-notch virtual training programs. Make expert trainer Cindy Huggett's professional array of virtual tools your own and discover new perspectives from a range of training trailblazers. You'll find their real-world lessons learned and get full access to their secrets of the trade. Starting with a simple four-step process, get started, get ready, get buy-in, and get going. Huggett helps you select the right technology, then offers detailed sections on how to design content, develop activities, and work with both facilitators and producers. And if you're wondering how to prepare participants and evaluate program results, Huggett does not disappoint. Follow along as she guides you with new and relevant tips, tools, and templates every step of the way. A virtual training pioneer, Huggett wrote this book for you: instructional designers, facilitating trainers, learning coordinators, and training managers. And she continues to experiment with creative techniques and hone her skills so you can jump in with confidence. This complete guide builds on the author's popular [The Virtual Training Guidebook](#); use them together or on their own to delve into Huggett's holistic approach to virtual training.
