A Transformation Journey to Creative and Alternative Planetary Futures Victor V. Motti, 2019-03-21 This book presents a counter trend against nationalism religious extremism xenophobia and racism It advocates an alternative globalization based not on trade the economy and politics but on humanity s transcendence to a collective consciousness Inspired by a pantheist worldview it applies an integral perspective toward strategic foresight and anticipation on the planetary scale Controversial disappearing and emerging binary oppositions are explained within the framework of the mythology of the Lord of Wisdom versus the Ignorant Mind It shows that our anticipatory planetary era might be characterized by the acknowledgement of our zero knowledge as measured in the ocean of all disciplines zero carbon for energy zero war in politics and zero killing in society zero conscious beings excluded and zero existence as we have known it as humanity merges into some higher and enriched complexity
