*Panic Now?* Ira Allen, 2024-06-11 When was the best time to panic about the varying crises facing humanity Twenty years ago But the next best time Now In line with other considerations of what we have come to call the Anthropocene in *Panic Now* Tools for Humanizing Ira J Allen takes the reader on a journey through difficult feelings about the various crises facing humanity and from there to new ways of facing impending dread with a sense of empowerment The interrelated threats of climate collapse an artificial intelligence revolution a sixth mass extinction a novel chemical crisis and more are all brought to us by what Allen describes as CaCaCo the carbon capitalism colonialism assemblage After suggesting that it is absolutely time to panic he asks how do we manage to panic productively Admitting there is no one script for everyone to follow the author traces how we might adopt attitudes and practices that allow us to move through this liminal space between fear and action collectively This book is a master class in how to create better more humanizing outcomes by confronting the panic that goes

along with the realization that the world as we know it is ending Rather than remaining mentally emotionally imaginatively and practically stuck in this historical condition Allen invites us to a very particular action oriented mode of panic which can indeed incite our imaginations to move from panic to empowerment
