Work and Legal Guidelines in the Age of Digitalisation and Green Transition Rita

Remeikienė, Ligita Gasparėnienė, 2025-12-24 This open access book provides important insights into the integration of digitalisation and green economy into the platform economy and how these processes can contribute to the improvement of legal labour regulations and processes in the EU and Eastern Europe It addresses the following key topics the impact of digitisation on the labour market including the impact of robotics and automation on the changing nature of work the organisation of work through digital platforms the relationship between workers and employers the challenges of implementing the Green Deal strategy in the labour market the specifics and types of platform work problems concerning labour regulation on digital platforms in Eastern and Southern European countries such as Moldova Ukraine Bosnia and Herzegovina Serbia Montenegro and Albania and the results of an empirical survey The topics are highly relevant in the contemporary context as the European Parliament adopted the Platform Work Directive in 2024 after several years of debate This Directive aims to sift out the working patterns of the platform sector introducing clear criteria on what is considered to be an individual activity and what is considered to be an employment relationship The EU Directive calls upon each EU country to develop its own criteria for assessing whether certain work carried out via platforms is based on an employment relationship or merely constitutes an individual activity One of the book's main objectives is to present possible business models for digital platform work that offer greater social protection for the worker by analysing the theoretical aspects of digitalisation and the integration of the green economy into the labour market and the legal framework for digital labour market platforms in Eastern and Southern European countries The book will be of interest to policymakers responsible for regulation of the labour market trade unions university lecturers and students of economics and law who are interested in delving into the characteristics and regulation of the digital economy and the digital labour market labour platform workers and employers

The Budget [a Monthly Magazine to Advocate Economy and Efficiency in the Business of Government] Walter Gray Miller, 1923 *Remote, Inc.* Robert C. Pozen, Alexandra Samuel, 2021-04-27 You can thrive and excel when you're working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best

from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration *Energy Efficiency Design Guide for California Detention Facilities* ,2001 *Journal of Accounting and EDP* ,1986 *National Guide to Educational Credit for Training Programs 2004-2005* Jo Ann Robinson,Troy Polite,Nancy Musick,2004 For more than 25 years this guide has been the trusted source of information on thousands of educational courses offered by business labor unions schools training suppliers professional and voluntary associations and government agencies These courses provide academic credit to students for learning acquired at such organizations as AT T Citigroup Delta Air Lines General Motors University NETg and Walt Disney World Resort Each entry in the comprehensive INational Guide R provides L L DBL Course title L DBL Location of all sites where the course is offered L DBL Length in hours days or weeks L DBL Period during which the credit recommendation applies L DBL Purpose for which the credit was designed L DBL Learning outcomes L DBL Teaching methods materials and major subject areas covered L DBL College credit recommendations offered in four categories by level of degrees and expressed in semester hours and subject areas s in which credit is applicable L L The introductory section includes ACE Transcript Service information For more than 25 years this guide has been the trusted source of information on thousands of educational courses offered by business labor unions schools training suppliers professional and voluntary associations and government agencies These courses provide academic credit to students for learning acquired at such organizations as AT T Citigroup Delta Air Lines General Motors University NETg and Walt Disney World Resort Each entry in the comprehensive INational Guide R provides L L DBL Course title L DBL Location of all sites where the course is offered L DBL Length in hours days or weeks L DBL Period during which the credit recommendation applies L DBL Purpose for which the credit was designed L DBL Learning outcomes L DBL Teaching methods materials and major subject areas covered L DBL College credit recommendations offered in four categories by level of degrees and expressed in semester hours and subject areas s in which credit is applicable L L The introductory section includes ACE Transcript Service information **Telecommuting Success** Michael J.
