Designing Instruction with Generative AI Brent A. Anders, 2025-09-16 *Designing Instruction with Generative AI* offers a novel set of tools and strategies for leveraging generative AI to create engaging and personalized learning experiences While instructional designers are a tremendous asset to higher education not all colleges or universities have the robust staff needed to support all instructors on staff or large student populations Drawing on a wealth of research professional experience and strategic insights this book equips new and seasoned teaching faculty and trainers with step by step directions on how freely accessible artificial intelligence software can assist with all aspects of the course creation and instruction process and cater to the needs of diverse learners Each chapter offers forward thinking and empirically validated ways to help faculty create and improve instructional materials course design and learning environments while supporting their digital literacies Rather than introduce AI as a means of outsourcing subject area expertise critical thinking or cognitive processes the author instead emphasizes its potential to build on traditionally honed knowledge and foundational instructional design practices From optimizing course alignment and accessibility practices to fostering active learning motivation and engagement educators will find new solutions to common teaching and learning challenges with greater efficiency in time and capacity The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license [Black Panther](#)

[and Philosophy](#) Eduardo Pérez, Timothy E. Brown, 2022-02-15 Explore the fascinating historical and contemporary philosophical issues that arise in *Black Panther* In *Black Panther and Philosophy* What Can Wakanda Offer The World a diverse panel of experts delivers incisive critical reflections on the Oscar winning 2018 film *Black Panther* and the comic book mythology that preceded it The collection explores historical and contemporary issues including colonialism slavery the Black Lives Matter movement intersectionality and identity raised by the superhero tale Beyond discussions of the influences of race and ethnicity on the most critically and culturally significant movie in the Marvel Cinematic Universe this book presents the moral feminist metaphysical epistemological existential and Afrofuturistic issues framing *Black Panther* s narrative The explorations of these issues shed light on our increasingly interconnected world and allow the reader to consider engaging questions like Should Wakanda rule the world Was Killmonger actually a victim Do Wakanda s Black Lives Matter Does hiding in the shadows make Wakanda guilty What does Wakanda have to offer the world Perfect for fans of the most culturally significant film in the Marvel Cinematic Universe *Black Panther and Philosophy* will also earn a place in the libraries of students of philosophy and anyone with a personal or professional interest in the defining issues of our time

Marketing and AI: Shaping the Future Together Vincent Jeseo, Jasmine Parajuli, 2024-12-23 The growing availability of data intelligent computational systems and affordable storage and software has spurred a keen interest among marketers to explore new artificial intelligence AI methods and applications to enhance outcomes However this technological race can
