**Work From Home: A Simple Method for Finding Online Work With No Jobs (A Beginner's Guide to Finding Remote Jobs, Freelancing, and Making Money Online)** Kevin Milliken, 101-01-01 This book is your invitation to that life. It's filled with heartfelt guidance showing you how real people are building incredible financial freedom through the power of the internet. We'll explore exciting paths like sharing products you love through affiliate marketing and earning for it. Creating your own unique designs with print on demand without ever touching inventory. You will learn how to start a virtual assistant business, writing business, online store, cottage food business, vending machine business, personal organizer business, online course business. The idea of structuring your life around passive income is real. I currently have four streams of passive or semi-passive income. I'm working on the fifth and would never again consider trading my time for money. But it's not as easy as some books suggest. As with anything in life, if you want to create passive income, you will need to understand it, plan for it, and then work to make it a reality. I have done just that and have no need to punch a clock or answer to anyone else. Because most of my income is passive, I don't have to exert a lot of time or effort to earn a great living. *Saturday Review of Literature*, 1927
