AI Impacts on Branded Entertainment and Advertising Miguélez-Juan, Blanca, Rebollo-Bueno, Sara, 2025-05-01 Connecting with the public especially the younger generations is challenging for brands and agencies unless they leverage new communication technologies to create engagement and foster more critical and active audiences Consumers often overwhelmed by messages and products no longer need to avoid intrusive advertising Instead in this new advertising paradigm they seek out brands and their advertisements to form a positive emotional connection This intimate bond benefits both the brand and the consumer acting as a loudspeaker for the brand s values and message In this context creativity and professional creatives are reaffirmed as the key differentiators for modern advertising

agencies These agencies need well trained professionals who are not afraid to use new communication methods including entertainment and emerging technologies like AI which despite being unregulated are here to stay AI Impacts on Branded Entertainment and Advertising explores the scientific foundations on the use of AI and branded content understanding it as an essential tandem for the understanding of the advertising and social reality Covering topics such as non conventional media influencer marketing and avatar this book is an excellent resource for marketing directors brand creators communication professionals computer developers corporate professionals researchers scholars professionals academicians and more Organizational Communication and Sport Jimmy Sanderson, 2025-10-16 This edited volume illustrates the

function of communication within sport organizations offering analyses of multiple facets of the industry Contributors examine a variety of cases including whistleblowing athlete safeguarding sexual harassment scandals leadership marketing and social justice advocacy among others Throughout this volume contributors argue that communication plays a significant role in the operation and management of sports organizations demonstrating the complex and challenging functions it serves in a continually evolving landscape The book provides a diverse approach to the study of organizational communication in sport contexts highlighting the unique communicative challenges that leaders in the industry face given the high visibility of sport and the significant media attention directed toward players teams and audiences An internationally diverse roster of contributors offers nuanced perspectives on how sport organizations manage communication functions through a selection of contemporary case studies that build upon existing research discussing both practical and theoretical implications and directions for future research on the organizational communication dynamics within the sport industry **Managing Sport**
