Hold Successful Meetings Caterina Kostoula, 2021-04-15 Meetings allow us to bring people together to inspire each other solve problems and make a difference Yet we all spend too much time in dull frustrating meetings where little is achieved and even less is followed up on afterwards In **Hold Successful Meetings** executive coach and former Google leader Caterina Kostoula will change all this Her unique framework will Equip you to hold fewer more purposeful meetings Create a creative and inclusive environment Leave participants inspired and ready to take action Whether virtual or in person people will leave your meetings inspired by the value you created together and ready to make an impact I bought this for my whole team at Google Reader review *Interpersonal Skills for Portfolio, Program, and Project Managers* Ginger Levin DPA, PMP, PgMP, 2010-08-01 Improve Your Interpersonal Skills to Achieve Greater Management Success Any formula for management success must include a high level of interpersonal skills The growing complexity of organizational portfolios programs and projects as well as the increasing number and geographic dispersion of stakeholders and employees makes a manager s interpersonal skills critical The frequency and variety of interpersonal interactions and the pressure to perform multiple leadership roles successfully while ensuring customer satisfaction have never been greater *Interpersonal Skills for Portfolio Program and Project Managers* offers practical and proven tools and methods you can use to develop your interpersonal skills and meet the challenges of today s competitive professional environment Develop the interpersonal skills you need to Build effective high performing teams Work efficiently with virtual teams Develop approaches to build and maintain relationships with stakeholders at all levels Handle stress and deal with unexpected critical incidents Motivate your team Whatever your level of experience you will find these practical and proven methods to be the best formula for improving your interpersonal skills and enhancing your management success The chapters include discussion questions making this a perfect text for use in academic or workshop settings **Next Generation Leadership** Adam Kingl, 2020-02-04 Employers who don t adapt to the expectations of younger generations are losing top talent as they leave for positions at companies with modern practices Learn what companies need to do to fit into the new normal in the workplace Generation Y sees the world differently than any other generation in modern memory and nowhere is this more evident than in the workplace The shifts that this generation has seen in the economy technology and the world have changed what they want from life and work which is not a 9 5 existence for forty plus years leading to a typical retirement at sixty five What older generations call a poor work ethic from a spoiled generation Gen Y sees as a different way of doing things Companies that take the time to listen realize that what Gen Y is asking for isn t that crazy in fact it s better in many ways such as A demand for work life balance isn t a cry for fewer work hours it s a cry to be able to work from outside the office beyond a rigid 9 5 schedule which can lead to Gen Y employees working even more hours than you expected Leaving a job after a couple years isn t an inability to commit it s a need to learn more expand their experience and develop their career at a faster pace which is helpful to

companies that hire those individuals including your own Elevating nontraditional benefits over financial benefits is a step toward creating an emotional connection to the company where employees spend most of their time and invest mental and emotional efforts The need to work for a company with a purpose reflects the power that social media has on the social consciousness Next Generation Leadership will explore what's behind these shifts in the character of the emerging workforce It shows that as Gen Y assumes managerial positions the nature of leadership and business will change over the next few decades in irrevocable and profound ways

How to Win Friends and Manage Remotely McKenna Sweazey, 2022 A modern approach based on classic management styles for working and managing people remotely How do you manage a poor performer over Zoom How do you casually deliver positive feedback via Slack What's the most professional use of a gif Management was hard enough pre pandemic and now the difficulty in getting things done has dramatically increased In face to face interactions humans have thousands of indicators to tell them what the other party is thinking and how they are reacting Resorting to purely digital communication obliterates these clues stopping us from reading the subtle body language we've evolved to use in all interactions to become better leaders kinder managers and more effective cogs in the corporate machine How to Win Friends and Manage Remotely shares real life examples scientifically proven ideas and distillations of tried and true business tenets all mapped to a new virtual first office This book is a handbook a step by step guide to common interactions in the workplace using eight classic management examples from digitizing your onboarding journey to helping new recruits to delivering useful feedback over video conference Combining academic research and personal experiences across various companies roles and countries this is a roadmap to get readers through the WFH work from home quagmire and help us all be more cognizant of others perspectives in this brave new world How to Win Friends and Manage Remotely shows why expressing digital empathy is the most important factor in managing and working with others Even as companies began going back to normal it wasn't the normal that anyone knew pre COVID 19 Two things are certain with this shift First we will never go back to the way things were Second we all must learn to live in a virtual workplace If we are managers that means we also need to know how to communicate with motivate and coach virtual teams In the words of Dale Carnegie how do you win friends and influence people in a virtual office
