

# HOW TO BUILD YOUR PERSONAL BRAND ON LINKEDIN

## CREATE A PLAN

To come up with your plan, explore what we like to call “your why.” Your why is essentially what you want to gain from your involvement on LinkedIn.

## BRING VALUE

Provide recommendations and endorsements to others, this is an effective way to stay connected with others and help them out.

## BUILD RELATIONSHIPS

This can be done by engaging on posts and having discussions. Be sure to provide meaningful comments that go beyond ‘thanks for sharing’ or ‘great insight’.

## BE CONSISTENT

You can't simply engage every now and then and still get a lot of value out of it. Remember your plan from the first step? Achieving it means engaging.

**Digital Age Consumers and Brands** Purnima Embranthiri, 2025-02-28. Digital Age Consumers and Brands explores consumer and branding behavior in the digital age. Previously, shopping required meticulous planning and interacting with salespeople for product information. Technology has revolutionized these processes, making shopping more convenient. Today, people can browse and buy items from the comfort of their seats, with 81% of shoppers using search engines before making a purchase. Online reviews and testimonials have replaced traditional word-of-mouth marketing, significantly influencing buyer decisions. Businesses have adapted by setting up e-commerce websites and listing products in marketplaces to retain customers. This book examines how the internet has transformed consumer engagement with brands, reshaping marketing economics and making many traditional strategies obsolete. For marketers, the old ways of doing business are unsustainable. We highlight the importance of sound marketing practices, excellent customer service, and stellar products and services for business success. Understanding buyers and learning how they think are crucial elements for success in today's market.

**Emerging Conceptions of Work, Management and the Labor Market** Steven P. Vallas, 2017-06-14. Economic institutions are undergoing radical transformations, and with these has come a reconfiguration of labor market institutions, managerial conceptions of work, and the nature of authority and control over employees, as well. This volume addresses a wide array of questions to better understand these dramatic changes.
