The Side Hustle Nick Loper, 2019-04-22

Make Money and Live Better

The Side Hustle is for people who want or need to earn some extra money outside of their day jobs

Maybe you need a few extra dollars to make ends meet

Maybe you want to pay off debt

Maybe you want to save for a rainy day or for your children's education

Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it

Maybe you're looking for a way out of the corporate world an escape plan

That's the ultimate financial freedom right

That's how I got started down this entrepreneurial path and it's the best choice I ever made

You're willing to work for it because your future is worth working for

But your time is limited and you may not know where to start

There are a million and one ways to make money online and everyone wants to sell you their proven system for Internet riches

It's hard to tell what's a scam and what's legit

Real World Examples

This book offers real world examples of how regular people just like you and me are earning side hustle income outside of traditional employment

Many have even turned these part time ventures into full time businesses throwing off the shackles of their corporate overlords for good

And the cool thing is there are no special technical skills or prerequisites to get started with any of the ideas presented

Most don't require any big scary upfront investment

If you're a fan of Chris Guillebeau Pat Flynn or Tim Ferriss you'll love this

My Story

After college I did what you're supposed to do

I got a job

The problem was almost immediately I found myself looking for a way out

It wasn't that I hated the work or my coworkers but it just wasn't what I wanted to do with my life

The thought of spending my next 30 years there was terrifying

So evenings and weekends I turned my attention online

I'd been dabbling with building rudimentary websites learning online advertising channels and even running my own small marketing campaigns for other companies products to test the waters

And that's what The Side Hustle is about finding

a low risk way make more money Most entrepreneurship books assume you have limitless time and limitless startup capital but I know from talking to thousands of side hustlers that s simply not the reality I started small and lean but steadily built up my side hustle until I could say good bye to corporate work You can do it too I ll show you how What s Inside If you re looking for a get rich quick scheme or the secret to overnight success you won t find it here But what you will find are the Big 3 side hustle business models you can take action on right away I ve interviewed hundreds of profitable side hustlers on The Side Hustle Show to figure out how their businesses work how they make money and most importantly how you can replicate their success In this book you ll meet these real world side hustlers who built and sustained businesses they care about They faced the same fears and uncertainties you re wrestling with but made something happen Now it s your turn What are you waiting for The timing will never be perfect Scroll up and hit the Buy Now button to grab your copy now **101 Remote Jobs**

Real WORK FROM HOME Jobs, Gigs, Careers, and Side Hustles that You Can Do RIGHT NOW Hector Shane Williams, 2023-02-10. Yes you really can make an actual income working from home. Under the recent advice of social distancing and stay safe stay at home the advantage in today's workforce lies with those who can do real work from home. Because let's face it this will not be the only instance in our lifetime where we will encounter the need to lock down and shelter in place. In my book I show over 100 ways you can have a successful career working from the comfort of your home. My work from home book addresses all skill levels and touches on nearly every sector of gainful employment that can be performed remotely. From highly skilled medical professionals to someone just now entering the workforce with little to no prior experience there's a job for you. If you're looking to make some extra side income or work at your own pace this book is for you too. Many positions can be tailored to your preferred schedule, your expertise and your level of comfort with technology. I took the guesswork out of the equation for you. Other books, blogs and articles will direct you to the link to find the job and then you have to figure out if it is for you. The goal of my book is to cut out some of that guesswork for you by supplying you with as much information as possible so that you can start your process without having to wade through all the internet muck I have done the heavy lifting for you. You will find at least one chapter that seems like it was written especially for you in your situation. This book is set up into chapters divided by how you would go about finding a job you love. The first part is about finding what work you might want to do, establishing what you're good at and giving general advice about job hunting and working from home. The bulk of the book is dedicated to practical guidance for finding that job in the real world. You can peruse the jobs that can be done remotely and how you might perform the job you love. Conversely I have provided you with a list of over 60 companies that are actively hiring remote work from home workers. Out of the 100 ways to work from home you're sure to find something you never thought of doing. Finally I wrap up by addressing places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations. While these jobs might not be done completely at home you can still work out of your house without stepping into a corporate office. **The Side Hustle Blueprint: 20 Proven Ideas for Extra Income** ACK Business, Why You Should Read This Book.
