topical punchy and provocative look at how social networks are taking over the news How do you get your news Chances are
not from a newspaper or the TV that's so old school If you're anything like the rest of us you get it from Facebook or Twitter
The great power shift from traditional media to social networks is happening right now This boom means that for millions of
us our first exposure to information about the world comes from our friends not news media But social networks don't do
news the old fashioned way Because we share stories that make us look good inspire us and fire us up the tone and flavour of
