Harnessing AI's Potential to Support Student Success and Teaching Excellence Araujo, Juan J., Snider, Sharla, 2025-07-15 With the integration of AI in educational environments, AI has shaped the way schools operate and support students. Personalized learning platforms and tutoring systems have transformed the traditional schooling system for the better. However, the deployment of AI in school settings also raises critical questions around equity, privacy, ethical use, and the role of educators in a technology-enhanced landscape. Examining the impact of AI usage in schools is essential to understand both its potential to enhance educational outcomes and the challenges that must be addressed to ensure it serves all learners effectively and responsibly. *Harnessing AI's Potential to Support Student Success and Teaching Excellence* explores the landscape of AI in education and how it has helped and hindered school settings. This book highlights both the transformative potential of AI and the risks associated with its unchecked advancement, emphasizing the importance of responsible innovation in education. Covering topics such as education, AI, and technology, this book is an excellent resource for teachers, administrators, and policymakers searching for the right approach for such AI implementation.

The Duty of the Shipmaster to Render Assistance at Sea under International Law Felicity G. Attard, 2020-08-25 In *The Shipmaster's Duty to Render Assistance at Sea under International Law*, Felicity G. Attard examines the web of applicable international rules regulating one of the most fundamental obligations at sea. The study explores the shipmaster's duty to render assistance at sea under treaty law, customary international law, and other international instruments. It focuses on an assessment of the duty in light of contemporary challenges posed by the phenomenon of irregular migration by sea, a problem which has intensified in recent years. Whilst Article 98 of the 1982 United Nations Convention on the Law of the Sea provides the basis for the regime,

regulating the duty the study addresses other relevant rules adopted by the International Maritime Organization and the International Labour Organization Due to the humanitarian ramifications of the rendering of assistance at sea the book considers further obligations imposed under human rights law and refugee law The study presents a comprehensive analysis of shipmaster s responsibilities in rescue operations and their role in the fulfilment of States international obligations in the rendering of assistance
