Crocker,2017-02-07 It s important for bloggers to publish frequent unique content but they often struggle to take action Some are overwhelmed at the prospect of brainstorming topics to write about let alone writing and publishing the content Many others are unable to organize their ideas into a viable publishing schedule and so they end up publishing nothing By using an editorial calendar to plan online content in advance businesses save time and build relationships with customers At the same time they will learn to write more professionally share content consistent with their brand and better serve their customers and potential customers The Content Planner provides a structure that focuses each business on content that supports their business objectives The Content Planner is for anyone who publishes online You might own an established business or be starting a new entrepreneurial venture Maybe you re a creative entrepreneur a writer an artist a musician wanting to raise your profile and share your work with a wider audience Whatever your role and situation this book will help you get your ideas online efficiently and effectively By using an editorial calendar to plan a month of online content in advance each business saves time builds relationships with customers writes more professionally shares content consistent with the brand better serves their customers and potential customersThe Content Planner provides a structure that focuses each business on the types of content that support their business objectives The process also formalizes their plans in a pen on paper calendar to use as a work plan By knowing what to write about and when writers can take timely action The download kit includes Goal Tracking Worksheet Promotion Checklist Calendars for Planning And more content planning resources     **Content Strategy Planner** Sara Eatherton-Goff,2016-03-16 Blog planning doesn t have to be complicated Whether you re a brand new blogger soon to be blogger or a current one looking to simplify your content for up to 12 months the Content Strategy Planner is for you It includes private access to the blog planning video workshop and mini printable workbook from GoffCreative dot com in addition to all the internal resources tracking planning and prep for Blog and reader planning and overview Blog content mapping strategy and tips Guided editorial content preparation for 12 months Email marketing overview and plan Editorial calendar Monthly personal and professional planning Monthly prep sheet email growth analysis etc Email marketing map the foundation for your strategy each month 12 months of analytics recording stats 12 months of blog growth analysis Guest blogging opportunity trackingAnd more Un complicate the blog content planning process with this simple guided planner that ll walk you through every important facet of developing a strong blog to help support your business online or allow your blogging hobby to be taken seriously But before you buy this planner note that it s not for you if you have more than one blog that you manage or if you send more than 8 emails a month to your audience Yes

you could make it work but I wouldn't recommend it. Also, this book doesn't linger in the past. It's a forward-focused blog planner intended to help you do just move forward with your blog. So if you're looking for 20 pages of reflection from the previous 12 months slapped in the first part of the planner, it's not for you either. There's plenty of thorough tracking, but it also won't keep you detailing the past for hours on end. If you want a serious blog planner with a focus on growth preparation and built on a high-functioning strategic process, then this planner is exactly what you're looking for. Buy the Content Strategy Planner now.
