my experience and that's what allowed me to leave my job and be able to live only with my blogs. It's not a simple journey. Making money with a blog is not a quick process and presents many pitfalls. Making sure that our blog reaches the first pages of Google results is a matter that takes much time and much work. And even if it is so fashionable, earning with your passions is unfortunately not a real matter. You cannot think to earn money only by writing; you always need to sell something, like a product, like a service, like an affiliation, etc. In this book, I will try to be as clear as possible and show you how to set everything up properly in your blog and start to make a lot of money.
