Artificial Intelligence (AI) for Small Businesses Oluwaseun Ogunmola, 2025-05-25. Want to grow your business without burning out? Let AI handle the hard stuff. Running a small business in 2025 is not for the faint-hearted. Between customer messages, social media, inventory, marketing, and trying to stay sane, you've probably wished you had five clones. Here's the better option: Artificial Intelligence (AI). This isn't a complicated tech manual; it's a practical, easy-to-follow guide that shows you how to use AI tools to save time, make more money, and grow your business without hiring a team or becoming a tech expert. What you'll learn inside: How to use ChatGPT to write Instagram posts, sales emails, and product descriptions in minutes. How to automate your WhatsApp or DM replies so you're not glued to your phone all day. How small business owners around the world are using free AI tools to grow their customer base quickly. How to track your income and expenses without using spreadsheets. Which AI tools are best for content creation, sales, marketing, operations, and customer service. How to run your business efficiently with just a smartphone or laptop. Who this book is for: Solopreneurs, side hustlers, and small business owners. Coaches, consultants, creators, and online sellers. Anyone who feels overwhelmed by daily business tasks and wants to simplify their workflow using AI. You'll learn how to build systems that work even when you're not online. No coding required. No expensive software needed. Just this book and a willingness to implement. What makes this book different? The strategies in this book are based on real-life examples, not theory. From food vendors to fashion sellers, boutique owners to digital marketers, these are simple steps anyone can use to grow their business with AI. If you're ready to stop doing everything manually and start using tools that work smarter, this book will guide you every step of the way. Get your copy now and make AI your most valuable business partner.
