Complete Blogging Tips For Beginners Tips For College Students:

A Complete Guide to Rubrics Audrey M. Quinlan, 2012 This book takes a developmental perspective at the use of scoring rubrics to assess student work Citing developmental characteristics of each age the author presents examples and adaptations of assessment rubrics on a variety of subjects for teachers from kindergarten through adult college After a presentation of foundation information on rubrics separate chapters are devoted to each grade level from primary through adult Written so that each chapter can be addressed independently the book provides additional chapters devoted to assessing technological topics and using rubrics with students with special needs The final chapters provide practical information to help teachers to create their own rubrics and to convert rubric scores to letter grades An updated annotated listing of recommended rubric websites is included
