The Teacher in Curriculum Making Joseph Leese,1961 **Teacher Voice** Russell J. Quaglia,Lisa L. Lande,2016-07-20

Help teachers listen learn and lead for powerful school reform Teacher insight and experience is a powerful yet underutilized resource in education especially in these days of the new ESSA Help teachers find their voice and positively influence their school s learning environment with this inspiring guide Student aspirations pioneer Russell Quaglia helps you expertly facilitate the process Using the author s three part School Voice Model you ll discover in depth action steps to help you incorporate teacher voice that has to be heard to sustain change With Quaglia and Lande s clear step by step guidance teacher interviews reflections and expert research you ll help teachers Work collaboratively for school change Inspire and positively affect education stakeholders Effectively express themselves Build self worth and realize their potential Increase engagement and define a sense of purpose Amplify their voice via technology Bolster teacher leadership and improve retention innovation professional development and student achievement with this breakthrough guide In this innovative book Russell Quaglia and Lisa Lande sets out how we can change that and how the voice of teachers can serve to systematically advance the knowledge base of the profession and establish opportunities for exchange collaboration and support In today s world even the best Minister of Education can no longer solve the challenges of millions of teachers But if we can capitalise on the expertise of millions of teachers we can create the world s best school system Andreas Schleicher OECD Quaglia and Lande have produced a treasure trove of new and high leverage ideas Teachers Voice contains two powerful messages One is that teacher voice contains the seeds of widespread transformation of learning The other main message alas is that teacher voice is vastly under utilized and teachers know it This book is a call and guide to action to leverage a resource that is under our noses Read it and act Michael Fullan Professor Emeritus University of Toronto Teaching and fishing Only a couple very imaginative educators would pair these two topics in a book But that is just what Russell Quaglia and Lisa Lande have done and that is just what they are imaginative optimistic and deep thinking educators Their triadic epigram Listen Learn Lead would have saved many a frustrated school administrator who thought they should start with lead This book is chock full of sound advice practical ideas and voices of teachers all describing how teachers work together and communicate with each other with students and with parents Who other than teachers deserves a more prominent yes central role in any discussion of how schools improve This is a delightful read that makes a less imaginative educator want to get up in the morning and go to work Or go fishing Dr Sam Redding Executive Director Academic Development Institute *The American Penman* ,1920

Create Captivating Classes J. Christopher Bontjes,2013-10-08 It s a challenge every teacher faces finding ways to get and keep the attention of their students getting them to engage fully in the lessons In today s world of constant connection to media and entertainment through television and the Internet it is harder than ever Add to that the pressures of NCLB Common Core State Standards and the Danielson evaluation model putting full responsibility for student learning and growth

on the teacher and we have reached a crisis How can teachers compete with this constant stream of personalized entertainment They must learn to think and teach as entertainers This is not as revolutionary a concept as it may sound The word entertain is defined as to pleasantly hold attention So teachers already entertain their students So no problem right Wrong Teachers are now competing for the attention of their students And the competition is fierce They are up against professional entertainers who have spent years studying the art of entertainment without having to worry about teaching as well Teachers are trained in their subjects but not in the methods and techniques used by entertainment professionals Teachers must learn to plan and to think as the professional entertainers do Only then can they effectively compete Only then can they Create Captivating Classes Christopher Bontjes has more than 40 years of experience in designing shows and entertaining audiences of all ages from the stage He also has more than 25 years of experience as a classroom teacher Because his teaching specialty is music he has had the opportunity to teach students ranging in age from Kindergarten through adult In Create Captivating Classes Why NCLB Should Mean No Child Left Bored Bontjes shares the techniques used by entertainment professionals to keep audiences glued to their seats and begging for more He then applies each technique to the classroom showing teachers step by step how to use each idea in the classroom to keep students riveted to lessons and anxious to learn more These ideas and techniques are effective with all students They work regardless of age or socioeconomic background They work not because of who students are but because of what students are HUMAN Every teacher has students they struggle to reach Create Captivating Classes will add a myriad of new ideas to your educational bag of tricks Order your copy today and learn to Create Captivating Classes Normal Instructor and Teachers World ,1924
