The Art of Social Media Guy Kawasaki, Peg Fitzpatrick, 2014-12-04 By now it's clear that whether you're promoting a business, a product, or yourself, social media is near the top of what determines your success or failure. And there are countless pundits, authors, and consultants eager to advise you. But there's no one quite like Guy Kawasaki, the legendary former chief evangelist for Apple and one of the pioneers of business blogging, tweeting, Facebooking, Tumbling, and much, much more. Now Guy has teamed up with Peg Fitzpatrick, who he says is the best social media person he's ever met, to offer *The Art of Social Media*, the one essential guide you need to get the most bang for your time, effort, and money. With over one hundred practical tips, tricks, and insights, Guy and Peg present a bottom-up strategy to produce a focused, thorough, and compelling presence on the most popular social media platforms. They guide you through steps to build your foundation, amass your digital assets, optimize your profile, attract more followers, and effectively integrate social media and blogging. For beginners overwhelmed by too many choices, as well as seasoned professionals eager to improve their game, *The Art of Social Media* is full of tactics that have been proven to work in the real world. Or, as Guy puts it, great stuff, no fluff. **Grow Without Posting Everyday**

Online: Evergreen Systems Over Daily Content Hustle Ahmed Musa, 2025-05-31 You didn't start your business to become a full-time content machine. The pressure to show up daily online can be exhausting. The never-ending treadmill of posts, reels, stories, and engagement tricks often leads to burnout, not breakthroughs. *Grow Without Posting Everyday Online* offers a different path, one built on systems, not stress. This book is for creators and business owners who want to grow without giving their entire lives to the algorithm. Instead of chasing short-lived visibility, you'll learn how to build evergreen assets that compound, email sequences that sell while you sleep, products that deliver consistent results, content libraries that attract long after they're published. This isn't about disappearing; it's about creating smarter. One powerful piece of content can replace weeks of noise. One well-designed system can outperform months of manual effort. You don't need to post daily to grow; you need assets that work when you don't. You'll shift from reactive posting to strategic creation. From scattered visibility to focused growth. From social obligation to business freedom. The digital world rewards consistency, not constant presence. This book shows you how to create a consistent presence through automation, repurposing, and long-form assets that convert. Because your business shouldn't fall apart the moment you stop posting. It should grow quietly, steadily, and intentionally. Convert Traffic into Long-Term Customers: The Ultimate Funnel Optimization Guide Simon
