## **Chinese Cultural Revolution Selected Doc:**

*The Chinese Cultural Revolution*, 1968      **Historical Dictionary of the Chinese Cultural Revolution** Guo Jian, Yongyi Song, Yuan Zhou, 2015-07-23 As the world's only English language historical dictionary of the Chinese Cultural Revolution 1966-1976 this book offers a comprehensive coverage of major historical figures, events, political terms and other matters relevant to this unique period of modern Chinese history that had profound influence on social and cultural movements of the world in the 1960s and 1970s. This second edition of *Historical Dictionary of the Chinese Cultural Revolution* covers its history through a chronology, an introductory essay, glossary and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on important personalities, politics, economy, foreign relations, religion and culture. This book is an excellent access point for students, researchers and anyone wanting to know more about this important period in Chinese history.

**The Purge of the Inner Mongolian People's Party in the Chinese Cultural Revolution, 1967-69** Kerry Brown, 2021-11-29 During the Chinese Cultural Revolution from 1967 to 1969 some 16,000 Mongolians died and over a quarter of a million suffered injury during the purge of what was claimed to be a separatist party in the Inner Mongolian region. This study looks at the purge through an analysis of the voices found in contemporary documents: those of Red Guard groups, local leaders felled during the campaign and the new leaders put in place by the central government in Beijing. At the heart of this was the struggle for domination by a central government asserting national unity opposed to any expression of local particularities in Inner Mongolia. The author examines the discourse strategies by which central government attempted to impose total control, asserting a dominant ideology and narrative based on Marxism-Leninism. The volume offers a unique insight into the relationship between language and culture of political power in modern China at a time of crisis and violence.

**The Chinese Communist Party's Nomenklatura System** John P. Burns, 1989      *The Political Economy of Chinese Development* Mark Selden, 1993 An assessment of the economic performance and social consequences of China's political economy over four decades with a focus on China's countryside and city-countryside relations. This second edition includes a new chapter: *The Social Origins and Limits of the Chinese Democratic Movement*.

**Chinese Animated Film and Ideology, 1940s-1970s** Olga Bobrowska, 2022-10-24 This book examines animated propaganda produced in mainland China from the 1940s to the 1970s. The analyses of four puppet films demonstrate how animation and Maoist doctrine became tightly but dynamically entangled. The book firstly contextualizes the production conditions and ideological contents of *The Emperor's Dream* (1947), the first puppet film made at the Northeast Film Studio in Changchun. It then examines the artistic, intellectual and ideological backbone of the puppet film *Wanderings of Sanmao* (1958). The book presents the means and methods applied in puppet animation filmmaking that complied with the ideological principles established by the radical supporters of Mao Zedong in the first half of the 1960s, discussing *Rooster Crows at Midnight* (1964). The final chapter discusses *The Little 8th Route Army* (1973) created by You Lei in the midst of the Cultural Revolution. This book will be of
