## Chinese Dialogues No 5:

**A Dialogue between Haizi's Poetry and the Gospel of Luke** Xiaoli Yang, 2018-05-01 In A Dialogue between Haizi's Poetry and the Gospel of Luke Xiaoli Yang offers a conversation between the Chinese soul searching found in Haizi's 1964 1989 poetry and the gospel of Jesus Christ through Luke's testimony. It creates a unique contextual poetic lens that appreciates a generation of the Chinese homecoming journey through Haizi's poetry and explores its relationship with Jesus Christ. As the dialogical journey it names four stages of homecoming: roots, vision, journey, and arrival. By taking an interdisciplinary approach, literary study, inter-cultural dialogue, and comparative theology, Xiaoli Yang convincingly demonstrates that the common language between the poet Haizi and the Lukan Jesus provides a crucial and rich source of data for an ongoing table conversation between culture and faith.

**Chinese Workers and Their State** Greg O'Leary, 2019-07-23 This text examines the most economically critical and politically sensitive issues of China's reform process: labour market development, changing industrial relations, and labour state and labour capital conflict. It suggests that a system is emerging in China which is a form of capitalism.

**Advances in Chinese Spoken Language Processing**

Chin-Hui Lee, 2007 After decades of research activity, Chinese spoken language processing (CSLP) has advanced considerably both in practical technology and theoretical discovery. In this book, the editors provide both an introduction to the field as well as unique research problems with their solutions in various areas of CSLP. The contributions represent pioneering efforts ranging from CSLP principles to technologies and applications, with each chapter encapsulating a single problem and its solutions. A commemorative volume for the 10th anniversary of the international symposium on CSLP in Singapore, this is a valuable reference for established researchers and an excellent introduction for those interested in the area of CSLP.

**Russian Trade Policy** Sergei Sutyryn, Olga Y. Trofimenko, Alexandra Koval, 2019-05-28 This book reveals the key trends in the modern Russian trade policy to provide a deeper understanding of the main challenges and barriers, possible paths and opportunities in its development. An international team of authors investigates specific factors influencing the Russian trade policy evolution, recent trends in Russia's international trade development, and the impact of Russia's participation in the World Trade Organization on the domestic economy. Particular attention is paid to regional integration processes that involve Russia and their outcomes, as well as challenges in the remaining and building commercial relations with Russia's traditional and new trade partners, taking into consideration those alienating the West and economic sanctions regimes. The analysis of

key trends is combined with a special focus on selected industries and economic partners of Russia The book contains a variety of case studies investigating the ways in which political and business actors adapt to the transformation of Russian trade policy how Russia participates in the WTO dispute settlement mechanism and what the driving forces and outputs are for the national economic agents Finally the authors consider what the reasonable expectations might be regarding the future prospects of Russian trade policy The book presents a unique comprehensive and multidimensional analysis of modern Russian trade policy Filling an important gap in the existing literature this book will be of value to all those interested in Russia s economic development path
