## **Chinese Government And Politics:**

**Understanding China's Political System** Kerry Dumbaugh, 2010-11 At one level China is a one party state that has been ruled by the Chinese Communist Party CCP since 1949 But rather than being rigidly hierarchical and authoritarian political power in China now is diffuse complex and at times highly competitive Contents of this report 1 China's Preeminent Political Institutions 2 The CCP The Political Bureau The Politburo Standing Committee The Secretariat Party Discipline 3 The Chinese Gov't The State Council The Ministries Gov't Control 4 National People's Congress 5 People's Liberation Army 6 Relationships Among Leaders 7 Other Important Political Actors 8 Provincial Municipal and Local Governments 9 Trends and Idiosyncrasies of China's Political System Illus Contemporary Chinese Politics James C. F. Wang, 1995 This text provides facts and information interspersed with analysis in its examination of contemporary China and its political and economic developments

**Chinese Politics and Government** Sujian Guo, 2012-09-10 Over the past two decades China's political reforms open door policy dramatic economic growth and increasingly assertive foreign policy have had an unprecedented regional and global impact This introductory textbook provides students with a fundamental understanding of government and politics in China as well as the conceptual ability to explore the general patterns impacts and nature of continuities and changes in Chinese politics Further it equips students with analytical frameworks by which they can understand analyse and evaluate the major issues in Chinese politics including The basic methodologies and theoretical controversies in the study of Chinese politics The major dimensions structures processes functions and characteristics of the Chinese political system such as ideology politics law society economy and foreign policy The impact of power ideology and organization on different spheres of Chinese society The structure process and factors in Chinese foreign policy making Whether China is a strategic partner or potential threat to the United States By examining contending theoretical models in the study of Chinese politics this book combines an essentialist approach that keeps focus on the fundamental unique and defining features of Chinese politics and government with other theoretical approaches or analytical models which reveal and explore the complexities inherent in the Chinese political system Extensively illustrated the textbook includes maps photographs and diagrams as well as providing questions for class discussions and suggestions for further reading Written by an experienced academic with working knowledge of the Chinese Government this textbook will provide students with a comprehensive introduction to all aspects of Chinese Politics Politics in China William A. Joseph, 2014 On October 1 2009 the People's Republic of China PRC celebrated the 60th anniversary of its founding And what an eventful and tumultuous six decades it had been During that time under the leadership of the Chinese Communist Party CCP China was transformed from one of the world's poorest countries into the world's fastest growing major economy and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the United States for global influence Over those same years the PRC also experienced the most deadly famine in human history caused largely by the actions and inactions of its political leaders Not

long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy Today China is for the most part peaceful prospering and proud This is the China that was on display for the world to see during the Beijing Olympics in 2008 The CCP maintains a firm grip on power through a combination of popular support largely based on its recent record of promoting rapid economic growth and harsh repression of political opposition Yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption extreme inequalities and a rising tide of social protest Politics in China is an authoritative introduction to how the world's most populous nation and rapidly rising global power is governed today Written by leading China scholars the book's chapters offers accessible overviews of major periods in China's modern political history from the mid nineteenth century to the present key topics in contemporary Chinese politics and developments in four important areas located on China's geographic periphery Tibet Xinjiang Hong Kong and Taiwan

**Handbook of the Politics of China** David S.G. Goodman, 2015-11-27 The Handbook of the Politics of China is a comprehensive resource introducing readers to the very latest in research on Chinese politics David Goodman provides an introduction to the key structures and issues providing the foundations on which later learning can be built Including a comprehensive bibliography it is an ideal reference work for undergraduate and postgraduate students and academics The Handbook contains four sections of new and original research dealing with leadership and institutions public policy political economy and social change and international relations Each of the 26 chapters has been written by a leading internationally established authority in the field and each reviews the literature on the topic and presents the latest findings of research Presenting the state of the art of the field this reader oriented Handbook is an essential primer for the study of China's politics

**Politics and Government in China** Guoli Liu, 2011-07-22 This concise thought provoking analysis explores the political changes and economic development emblematic of a rapidly rising China Politics and Government in China is an introduction to Chinese government and politics The book provides analysis of China's political history its key leaders and leadership transitions and its political party state institutions and party policies Moving beyond a strict definition of politics the book also explores the nation's economic development social policy law and order and foreign relations Throughout these analyses the book's primary focus is on modern China a nation poised to become an economic superpower It thus explores themes such as China's transition from a traditional society to a modern society from a less developed to a rapidly growing economy from a revolutionary regime to a modernizing state and from the rule of man to the rule of law Although the transitions are incomplete and the future still uncertain this book will help readers understand China as it is and as it may become

**Governance and Politics of China** Tony Saich, 2017-09-07 The success or failure of China's development will impact not only its own citizens but also those of the world China is widely recognized as a global actor on the world stage and no global challenge can be resolved without its participation Thus it is important to understand how the country is ruled and

what the policy priorities are of the new leadership Can China move to a more market based economy while controlling environmental degradation Can it integrate hundreds of millions of new migrants into the urban landscape The tensions between communist and capitalist identities continue to divide society as China searches for a path to modernization The People s Republic is now over 65 years old an appropriate juncture at which to reassess the state of contemporary Chinese politics In this substantially revised fourth edition and essential guide to the subject Tony Saich delivers a thorough introduction to all aspects of politics and governance in post Mao China taking full account of the changes of the 18th Party Congress and the 12th National People s Congress Further the rise of Xi Jinping to power and his policies are examined as are important policy areas such as urbanization and the fight against corruption *China's Political System* Sebastian Heilmann, 2016-12-08 The Chinese government is one of the most important actors in international affairs today To thoroughly understand how the People s Republic of China has grown in power requires a careful analysis of its political system To what extent can China s economic achievements be attributed to the country s political system and its policies What are the effects of economic modernization and global economic integration on the Chinese polity Is the Chinese political system capable of adapting to changing economic technological social and international conditions Exploring these central questions this definitive book provides readers with a comprehensive assessment of the preconditions prospects and risks associated with China s political development *Chinese Communist Politics in Action* A. Doak Barnett, 1969 These pioneering studies representative of the best research now being done on China by a new generation of young scholars focus on particular aspects of the Chinese Communist political system and the course of its development By analyzing the characteristics of the system at the subnational level as it affects local areas and particular groups they attempt to provide new insights into the nature of the system as a whole At the same time they move toward more effectively integrating China studies into the mainstream of political science **Modern China** Sih-Gung Cheng, 1919 Accumulates the history of Chinese government with analysis on Chinese politics economic and foreign policy and investment Investigates the issues resulted from World War I such as labour foreign policy and political power on the international level **To Govern China** Vivienne Shue, Patricia M. Thornton, 2017-10-26 This book presents a uniquely dynamic and fluid model of political evolution in the world s largest and most powerful authoritarian regime **The role and performance of the Chinese government and the Chinese Communist Party (CCP) in the economy** Jan Hutterer, 2007 Studienarbeit aus dem Jahr 2007 im Fachbereich Politik Internationale Politik Region Ferner Osten Note 1,0 Fudan University Shanghai International Center for Graduate Studies Veranstaltung Introduction to China s Economy Politics and Culture 21 Quellen im Literaturverzeichnis Sprache Deutsch Abstract The study analyses the political power of the CCP and the central government and tries to draw a realistic picture of their chances to shape Chinas development process Here within the study pays special attention to the role of the State owned Assets Supervision and Administration Commission of the State Council SASAC Based on this

analysis the study analysis means to measure the success of the political reforms by using economical social variables and political benchmarks

**Autocratic Tradition and Chinese Politics** Zhengyuan Fu,1993 This book examines the Chinese political tradition over the past two thousand years and argues that the enduring and most important feature of this tradition is autocracy The author interprets the communist takeover of 1949 not as a revolution but as a continuation of the imperial tradition The book shows how Mao Zedong revitalised this autocratic tradition along five lines the use of ideology for political control concentration of power in the hands of a few state power over all aspects of life law as a tool wielded by the ruler who is himself above the law and the subjection of the individual to the state Using a statist approach the book argues that in China political action of the state has been the single most important factor in determining socio economic change

**Party and State in Post-Mao China** Teresa Wright,2015-05-06 In recent decades China has become a quasi capitalist economic powerhouse Yet it continues to be ruled by the same Communist Party dominated government that has been in power since 1949 But how has China s political system achieved such longevity And what does its stability tell us about the future of authoritarian versus liberal democratic governance In this detailed analysis of the deeply intertwined relationship between the ruling Communist Party and governing state noted China expert Teresa Wright provides insightful answers to these important questions Though many believe that the Chinese party state has maintained its power despite its communist and authoritarian features Wright argues that the key to its sustained success lies in its careful safeguarding of some key communist and authoritarian characteristics while simultaneously becoming more open and responsive to public participation She contends that China s post Mao party state compares well to different forms of political rule including liberal democratic government It has fulfilled the necessary functions of a stable governing regime satisfying key demographic groups and responding to public grievances maintaining economic stability and growth and delivering public services without any real reduction in CCP power and influence Questioning current understandings of the nature strengths and weaknesses of democracy and authoritarianism this thought provoking book will be essential reading for all students and scholars of Chinese politics and international relations

**Challenges Facing Chinese Political Development** Sujian Guo,Baogang Guo,2007-01-01 Examining the challenges of Chinese political development from a holistic perspective each of the authors emphasizes a particular dimension of political culture political economy foreign policy and environmental and social challenges

**Chinese Communist Politics in Action** Joint Committee on Contemporary China,1969 These pioneering studies representative of the best research now being done on China by a new generation of young scholars focus on particular aspects of the Chinese Communist political system and the course of its development By analyzing the characteristics of the system at the subnational level as it affects local areas and particular groups they attempt to provide new insights into the nature of the system as a whole At the same time they move toward more effectively integrating China studies into the mainstream of political science

*The People's Republic of China Today* Zhiqun Zhu,2011 Despite the

significant progress it had achieved in the past 60 years especially in the past 30 years since Deng Xiaoping's reform initiatives in the late 1970s China faces daunting challenges today These challenges include among others a rigid political system that does not match economic vibrancy uneven economic growth and widening income gap a graying population environmental degradation potential social instability ethnic tensions and separatist movement poor international image and military modernization Based on papers originally presented at an international conference held at Bucknell University in Pennsylvania to mark the 60th anniversary of the People's Republic of China PRC this book provides an up to date comprehensive and authoritative assessment of the PRC's political economic social ethnic energy security military diplomatic and other developments and challenges today Contributed by scholars and experts in political science international relations economics public administration history mass communication psychology and diplomacy the book focuses on the efforts needed by China to grow in a sustainable manner and to become a respected global power With each chapter addressing a different and yet an inter related issue of the PRC's development this book aims to make a significant contribution to the understanding of key challenges the country faces today as it strives to become a global power China's Political Economy Gungwu Wang, John Wong, 1998-01-01 1997 was truly an eventful year for China with many momentous happenings In February of that year Deng Xiaoping passed away thus marking the end of an era Shortly after the post Deng Chinese leadership under Jiang Zemin had to mobilise great efforts to ensure the smooth resumption of sovereignty over Hong Kong on June 30 This was then followed by intensive preparation for the holding of the 15th National Congress of the Chinese Communist Party in September which set national priorities for China's medium and long term development as well as decided on the core team of younger leaders responsible for leading China into the 21st century **Ideology and Politics in Contemporary China** John Israel, Chalmers A. Johnson, Joint Committee on Contemporary China. Subcommittee on Chinese Government and Politics, 1973-01-01 **China's Foreign Policy Making** Lin Su, 2017-03-02 Various domestic factors impact upon China's foreign policy making such as bureaucracy academics media and public opinion This stimulating book examines their increasing influence and focuses in particular on China's policy towards the United States exploring whether there has been an emergence of societal factors independent of the Communist Party that have begun to exert influence over the policy process It also debates questions such as how it will affect the ability of the Chinese government to frame and implement its policy towards the US and whether it has generated institutional arrangements in China for cooperation on issues such as trade human rights and Taiwan The book provides a better understanding of the role of societal forces in China's foreign policy making process
