McGovern, 1909 *Delicious Tofu* Angela Chang, 2017-04-10 Delicious Tofu is a well researched and carefully crafted
cookbook written by a native tofu chef Angela Chang was born in China and raised in Taiwan where tofu is inseparable from
the culinary landscape The following features are what make this book stand out It offers an unprecedented mixture of
authentic information with engaging stories from Chinese history legends and current tofu culture for reading pleasure as
well as helpful culinary background It reveals the fact that tofu is for both meat lovers as well as vegetarians To achieve the
best results the book introduces a wide range of cooking methods plus traditional and creative dishes Readers will find a rich
repertoire of little known techniques tips shortcuts and even global tofu dining guides One chapter is devoted to tofu
varieties found in the market a hidden treasure that even some native tofu users have overlooked These tofu jewels come pre
seasoned and ready to serve deliciously healthy and convenient options that are worthy of exploration Angela Chang's
Delicious Tofu is a marvelous resource for anyone who wants to learn about the history and nature of tofu Too often we think
of tofu as nondescript and uninteresting Quite the contrary in the hands of a masterful chef like the author tofu becomes one
of the most remarkable ingredients in the repertoire of human foodstuffs Encyclopedic in scope and engagingly written
Delicious Tofu is sure to delight and edify novices and cognoscenti alike Victor H Mair Professor of Chinese Language and
Literature University of Pennsylvania Angela Chang has been proselytizing for tofu for years determined to break down the
barriers that keep so many Westerners from fully appreciating its delicious versatility Here she makes it accessible to one
and all with irresistible storytelling and enthusiasm that draws you into her world Faith Bahadrurian Food writer and
restaurant critic Angela Chang's debut book was the first to enable me to make authentic home style Chinese food Here she's
turned her attention to that most versatile and underappreciated protein tofu The result is encyclopedic in scope chock full of
engaging history and informative anecdotes and a treasure trove of inviting recipes It may be a cliché to say that one recipe is
worth the price of the book but for me Chang's Pork Tofu Stew belies that cliché Pat Tanner Award winning food writer
