Chinese Legal System Globalization And Local Legal Culture:

The Chinese Legal System Pitman B. Potter, 2005-07-08 This book analyses the major features of the Chinese legal system on the eve of its accession to the World Trade Organisation and will be essential reading for students and academics in the field of Chinese law Chinese Legal Reform and the Global Legal Order Yun Zhao, Michael Ng, 2018 A critical evaluation of the latest reform in Chinese law that engages legal scholarship with research of Chinese legal historians

The Changing Chinese Legal System, 1978 – Present Bin Liang, 2007-12-12 This groundbreaking book reshapes our understanding of the economic political and legal changes in China since 1978 within the global context and is crucial reading for scholars of Asia law criminology and sociology **Regional Autonomy, Cultural Diversity and**

Differentiated Territorial Government Roberto Toniatti, Jens Woelk, 2017-04-21 Regional Autonomy Cultural Diversity and Differentiated Territorial Government assesses the current state of the international theory and practice of autonomy in order to pursue the possibility of regional self government in Tibet Initiated by a workshop and roundtable with political representatives from different autonomous regions including His Holiness the 14th Dalai Lama this book brings together a group of distinguished international scholars to offer a much needed enquiry into solutions to the Tibetan quest for genuine autonomy Examining the Chinese framework of regional self government along with key international cases of autonomy in Europe North America and Asia the contributors to this volume offer a comprehensive context for the consideration of both Tibetan demands and Chinese worries Their insights will be invaluable to academics practitioners diplomats civil servants government representatives international organisations and NGOs interested in the theory and practice of autonomy as well as those concerned with the future of Tibet **Chinese Law: Context and Transformation** Jianfu Chen, 2015-12-04 China

has changed and the continuing changes have not just been about economic development Among the many transformations there has been another quiet peaceful and largely successful but far from perfect revolution in the area of law whose deficiencies have been more often mercilessly examined and documented than have its historical achievements and significance This legal revolution is the subject matter of the present book Like the previous edition in 2008 it examines the historical and politico economic context in which Chinese law has developed and transformed focusing on the underlying factors and justifications for the changes It attempts to sketch the main trends in legal modernisation in China offering an outline of the principal features of contemporary Chinese law and a clearer understanding of its nature from a developmental perspective It provides comprehensive coverage of topics legal culture and modern law reform constitutional law legal institutions law making administrative law criminal law criminal procedure law civil law property family law contracts torts law on business entities securities bankruptcy intellectual property law on foreign investment and trade Chinese investment overseas dispute settlement and implementation of law Fully revised updated and considerably expanded this edition of Chinese Law Context and Transformation is a valuable and important resource for researchers policy makers and teachers

alike **Modern European and Chinese Contract Law** Junwei Fu, 2011-01-01 This comparative study of European and Chinese contract law opens a clear and practical way to identify and understand the differences between the two legal regimes The author offers a detailed doctrinal comparison of the two systems of contract focusing on the following fundamental elements the importance of socio economic valuation in Chinese contract law the role of judicial interpretation pre contractual liability penalties for bad faith disclosure versus concealment validity mistake fraud threats unfair bargaining power adaptation and termination effect of registration and approval rules mandatory rules good faith and fair dealing the public interest and direct application of constitutional law to contracts The book s special power lies in its extraordinarily thorough comparison of doctrines underlying specific provisions of such instruments as the Contract Law of the People s Republic of China CLC the General Principles of the Civil Law of the People s Republic of China GPCL the Principles of European Contract Law PECL and the Draft Common Frame of Reference DCFR as well as analysis of judicial cases **The**

Public Policy Exception in the Judicial Review of International Commercial Arbitral Awards Shu Zhang, 2023-09-19 This book systematically examines how the Chinese arbitration law system responds to the application of the public policy exception in the judicial review of international arbitral awards The discussion is based on a general understanding of the legal concept of public policy in international arbitration practice and the understanding developed in Chinese arbitration law and judicial practice In focusing on both international developments and Chinese arbitral and judicial practice this book provides some lessons from and for China The book is based on a review of both legislation and cases in China and a comparison with the international trends and consensuses as well as a systematic assessment of China s performance in defining and applying public policy in the judicial review of international commercial arbitral awards Valuable insights are provided on the basis of detailed analysis of the relevant cases In this context the author raised and examined a few key questions to be answered by the judicial practice including the international national nature of public policy the key elements of public policy and the appropriate boundaries of judicial review The author also highlighted a few unique legal concepts and approaches adopted in the Chinese context and evaluated its impacts on foreign parties and practitioners dealing with arbitration issues in China It is proposed that in the context of China s recent law reforms further steps are expected to be taken by the Chinese legal system in order to achieve a more comprehensive view of the public policy exception that is consistent with the globalized trend of a converging understanding of public policy in international arbitration **Chinese**

Law Deborah Cao, 2017-03-02 Studying Chinese law from a linguistic and communicative perspective this book examines meaning and language in Chinese law It investigates key notions and concepts of law the rule of law and rights and their evolutionary meanings It examines the linguistic usage and textual features in Chinese legal texts and legal translation and probes the lawmaking process and the Constitution as speech act and communicative action Taking a cross cultural approach the book applies major Western philosophical thought to Chinese law in particular the ideas concerning language and

communication by such major thinkers as Peirce Whorf Gadamer Habermas Austin and Searle The focus of the study is contemporary People s Republic of China however the study also traces and links the inherited and introduced cultural and linguistic values and configurations that provide the context in which modern Chinese law operates
