Chinese Whispers Yunte Huang, 2022-11-18 Chinese Whispers examines multiple contact zones between the Anglophone and Sinophone worlds investigating how poetry both enables and complicates the transpacific production of meaning In this new book the noted critic and best selling author Yunte Huang explores the dynamics of poetry and poetics in the age of globalization particularly questions of translatability universality and risk in the transpacific context Chinese whispers refers to an American children s game dating to the years of the Cold War a period in which everything Chinese or even Chinese sounding was suspect Taking up various manifestations of the phrase in the twentieth and twenty first centuries Huang investigates how poetry always to a significant degree untranslatable complicates the transpacific production of meanings and values The book opens with the efforts of I A Richards arguably the founder of Anglo American academic literary criticism to promote Basic English in China in the early twentieth century It culminates by resituating Ernest Fenollosa s famous essay The Chinese Written Character as a Medium for Poetry exploring the ways in which Chinese has historically enriched but also entrapped the Western conception of language Chinese Whispers Ben Chu, 2013-10-10 Chu s smart iconoclastic portrait dismantles seven misconceptions NEW STATESMEN about modern China and offers a corrective to Western assumptions THE CHINESE ARE THE MOST HARDWORKING PEOPLE ON EARTH so why are the younger generation derided as spoiled and lazy CHINESE PEOPLE DON T CARE ABOUT POLITICAL FREEDOM so why is the country s internet exploding with anti regime dissent CHINA WILL ONE DAY RULE THE WORLD so why do the country s political leaders feel so insecure Perhaps it is time to stop engaging in a centuries old game of Chinese whispers in which the facts have become more and more distorted in the telling Ben Chu examines the myths that have come to dominate our view of the world s most populous nation forcing us to question everything we thought we knew about it The result is a penetrating surprising and provocative insight into China today **Chinese Whispers** John Ashbery, 2014-09-09 John Ashbery s restless witty meditation on aging and the music of change A must read collection from America s greatest modern poet The child s game Chinese Whispers known in America as Telephone is an exercise in transforming the recognizable into something beautifully strange John Ashbery s twenty fourth collection of poems Chinese Whispers re creates in every line the accidentally transformative logic of the language game for which the book is named In sixty three charged and often very funny poems Ashbery confronts the relentlessness of age and time while demonstrating in his unmistakable self reflexive style the process by which a single thought unravels multiplies distends travels and finally arrives changed and unfamiliar First published in 2002 shortly after Ashbery s seventy fifth birthday Chinese Whispers is a collection in which fairy tales mysteries and magic dollhouses interleave effortlessly with the everyday of pancakes and popular culture Ashbery s language is absolutely recognizable from modern life as it is experienced but at the same time is as dreamlike and disquieting as intercepted transmissions from another world *Chinese Whispers* Rosalyn Dexter, 2000 No book on feng shui so elegantly

Chinese Whispers Andrew Birtles,2013-12 Dear Reader you probably know the party game Chinese Whispers but if you don't here's what happens A group of your friends and family get together someone starts off with a sentence in this case Piglets in pyjamas danced on tiptoes round a tree Then they whisper to the next person who whispers what they heard to the next and so on and so on You'll find it changes every time because people don't hear properly what's been said Oh and by the way you'll be the last person to hear the message so listen very carefully while you're reading this book because without you there won't be a final page Yours sincerely Andrew Birtles P S You may be unfamiliar with some of the words used so brief descriptions have been included to enhance your enjoyment *Chinese Whispers* Jan Wong,2009 Canadian Jan Wong first went to China in 1972 as one of only two Westerners allowed to enrol at Beijing University When fellow student Yin Luoyi asked for help getting to America Wong then a starry-eyed Maoist immediately reported her to the authorities 33 years later Wong returns to begin her search for the woman who haunts her conscience *The Ancestor's Tale* Richard Dawkins,Yan Wong,2016-09-06 The renowned biologist and thinker Richard Dawkins presents his most expansive work in this revised edition that offers a comprehensive look at evolution Loosely based on the form of Chaucer's *Canterbury Tales* Dawkins's tale takes us modern humans back through four billion years of life on our planet As the pilgrimage progresses we join with other organisms at the forty rendezvous points where we find a common ancestor The band of pilgrims swells into a vast crowd as

we join first with other primates then with other mammals and so on back to the first primordial organism Dawkins s brilliant inventive approach allows us to view the connections between ourselves and all other life in a bracingly novel way It also lets him shed bright new light on the most compelling aspects of evolutionary history and theory sexual selection speciation convergent evolution extinction genetics plate tectonics geographical dispersal and more The Ancestor s Tale is at once a far reaching survey of the latest best thinking on biology and a fascinating history of life on Earth Here Dawkins shows us how remarkable we are how astonishing our history and how intimate our relationship with the rest of the living world *Type 1*
