Chinnerys Hotel:

Chinnery's Hotel J. Birje-Patil, 2005 After spending nearly four uneasy decades in her ancestral England and accompanied by her dead sister's daughter Camilia Grace returns to the cantonment township of Mhow where she had spent a much cosseted childhood and youth in her parents establishment called Chinnery's Hotel The fictional Mhow with its polo tournaments tent pegging ballroom dances Masonic Lodge and whist drives serves as a prototype of cantonments between the wars where the resident British live in appalling ignorance of the political realities which would dislodge and transplant them to war ravaged England in 1947 The bleak post war life in London feeds Grace's nostalgia for her childhood home

Viotti and the Chinnerys Denise Yim, 2017-07-05 The Italian violinist and composer Giovanni Battista Viotti 1755 1824 is considered today to have been one of the most significant forces in the history of violin playing In 1792 he met Margaret and William Chinnery a wealthy English couple with strong connections in the world of arts and letters From that point onwards Viotti's life became inextricably bound up with theirs he moved into their home and became a second father to their children forming a remarkably successful ménage Henceforth all Viotti's career decisions were taken with this family's welfare in mind The Chinnery Family Papers feature over 100 Viotti letters and other documents Drawing extensively on these papers this book investigates the new light that they cast on Viotti's life and career as well as the context in which he lived and worked Fresh insights are given into the reception of Viotti's concertos in London and the solo performances he gave while in England together with new information on his role as a music teacher in the Chinnery household and his relationship with Mme de Sta and the Philharmonic Society **The Unpublished Correspondence of Mme de Genlis and Margaret**

Chinnery Denise Yim, 2003 This fascinating correspondence between Mme de Genlis and her English admirer Margaret Chinnery was discovered at a private art gallery in London in 1996 Margaret Chinnery was an intelligent wealthy mother of three who educated her own children and the letters offer proof that she implemented Mme de Genlis's method as expounded in the latter's novel *Adèle et Théodore* The correspondence documents a warm friendship which began in 1802 and which came to crisis point as did so many of Mme de Genlis's friendships with the publication of her *Mémoires* in 1825 Approximately half the letters to Margaret Chinnery date from 1802 when the Chinnery family and the de facto family member the violinist G B Viotti came to Paris during the Peace of Amiens Most of the others date from 1807 when Mme de Genlis sent her adopted son Casimir Baecker to London in an attempt to repeat the successes of his Paris harp concerts The forty letters from Mme de Genlis are extraordinarily candid in their description of her daily activities her financial situation and her hopes and disappointments They reveal an emotionally fragile driven woman almost pitiable in her obsession to promote her favourite pupil Casimir The letters provide valuable information on Mme de Genlis's educational works her novels and on her periodical contributions that were in progress at the time of writing as well as on many of her other manuscripts Some of the letters describe her attempts through the Chinnery family and Viotti to sell her manuscripts in

England Because copies of Margaret Chinnery's letters have been preserved the subjects treated in the letters are not only contextualised but are given continuity and coherence In addition over twenty two related letters and documents provide an elucidating backdrop to the main body of the correspondence This is the only known correspondence that documents a friendship between Mme de Genlis and an English woman and the completeness of its preservation makes it a valuable resource indeed India Today ,2005 *Amico* Warwick Lister,2009-07-23 Giovanni Battista Viotti was unquestionably the most influential violinist of his time and his style continues to pervade to the present day The last great representative of the Italian tradition that Corelli began Viotti is often considered the founder of the modern or 19th century French school of violin playing In *Amico* The Life of Giovanni Battista Viotti author Warwick Lister provides the first complete biography in English of this continuously significant violinist Much of the documentary material Lister cites is previously unknown or not translated Lister's biography takes the reader on a fascinating journey over the European continent and into the musical culture of the late 18th century Born one year prior to Mozart and dying three years before Beethoven's death Viotti rose from the humble origins of a blacksmith's son in a village near Turin Italy to international fame His multifarious career as a concert performer composer teacher opera theater director and impresario was played out against the backdrop of a dramatically changing world he served as a court musician for no less a figure than Marie Antoinette before founding an opera house in Paris Viotti also knew tragedy as well as success he was forced to flee the French Revolution he was exiled from England for an extended period based on suspicions of certain Jacobin tendencies his attempt to establish himself in business met with failure and he died heavily in debt Lister concludes *Amico* by coming to grips with the very things that account for Viotti's greatness and influence the technical aspects of his violin playing and compositions With its extensive documentary research and the inclusion of translations of various archival documents this is the essential English language biography of Viotti a significant addition to the libraries of students and scholars of 18th and early 19th century music as well as violin performers students and instructors Chinnery's Hotel Birjpatil,Jaysinh,2009-01-01 Amongst The Best Works Of Fiction That I Have Read In Many Years Khushwant Singh Likely To Bring A Tear To The Most Cynical Eye Times Literary Supplement After Spending Nearly Four Uneasy Decades In Her Ancestral England And Accompanied By Her Dead Sister S Daughter Camilla Grace Returns To The Cantonment Township Of Mhow Where She Had Spent A Much Cosseted Childhood And Youth In Her Parents Establishment Called Chinnery S Hotel The Bleak Post War Life In London Had Fed Grace S Nostalgia For Her Childhood Home However She Discovers That Mhow Has Not Remained Immune To The Profound And Often Corrosive Changes That A New Nation In The Making Has Undergone Chinnery S Hotel Has Changed Too And In Its Garden Gone To Seed History And Rumour Continue To Intersect Long After Its Guests Have Checked Out Never To Return Through A Subtle Interweaving Of Past And Present The Overlapping Narrative Of Chinnery S Hotel Traverses Two Continents And Three Historical Periods Skilfully Crafted It Gives A Vivid Picture Of The British Raj And The Predicament Of
