

Chisholm Trail In American History

James Earl Sherow

Chisholm Trail In American History:

Blazing the Wilderness Road with Daniel Boone in American History Carl R. Green, 2000 Discusses the Wilderness Road a trail providing a route from Tennessee to Kentucky in the late eighteenth and early nineteenth centuries Daniel Boone's role in its development and life on the trail

The Old Chisholm Trail Wayne Ludwig, 2018-09-05 The Old Chisholm Trail charts the evolution of the major Texas cattle trails explores the rise of the Chisholm Trail in legend and lore and analyzes the role of cattle trail tourism long after the end of the trail driving era itself The result of years of original and innovative research often using documents and sources unavailable to previous generations of historians Wayne Ludwig's groundbreaking study offers a new and nuanced look at an important but short lived era in the history of the American West Controversy over the name and route of the Chisholm Trail has persisted since before the dust had even settled on the old cattle trails But the popularity of late nineteenth century Wild West shows dime novels and twentieth century radio movie and television western drama propelled the already bygone era of the cattle trail into myth and a lucrative one at that Ludwig correlates the rise of automobile tourism with an explosion of interest in the Chisholm Trail Community leaders were keenly aware of the potential economic impact if tourists were induced to visit their town rather than another and the Chisholm Trail was often just the hook needed Numerous historical markers were erected on little more than hearsay or boosterish memory and as a result the true history of the Chisholm Trail has been overshadowed The Old Chisholm Trail is the first comprehensive examination of the Chisholm Trail since Wayne Gard's 1954 classic study The Chisholm Trail and makes an important and modern contribution to the history of the American West Winner 2018 Elmer Kelton Book of the Year sponsored by the Academy of Western Artists

The Chisholm Trail Sam P. Ridings, 2015-04-21 This frontier classic is one of the best books written about the world's greatest cattle trail the Chisholm Trail a trail that was approximately eight hundred miles long running from San Antonio Texas to Abilene Kansas It is a comprehensive book about the cattle drives of our western frontier and the interesting characters associated with them Such characters include Charles Goodnight Charles A Siringo Joseph G McCoy and various Indian Chiefs and gunslingers After the Civil War many cattlemen saw that there was money to be made in moving cattle northward Joseph G McCoy built shipping pens at Abilene which became known as the terminating point of the Chisholm Trail When the trail was most active millions of cattle and mustang accompanied their drivers on the two to three month journey that it took to travel across This book is the story of those cattle and their drivers who fought through Indian ambushes stampedes and cattle rustlers Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might

not otherwise find a home **The Chisholm Trail** Charles River Editors,2019-10-24 Includes pictures Includes a bibliography for further reading The Lewis and Clark Expedition notwithstanding its merits as a feat of exploration was also the first tentative claim on the vast interior and the western seaboard of North America by the United States It set in motion the great movement west that began almost immediately with the first commercial overland expedition funded by John Jacob Astor s Pacific Fur Company and would continue with the establishment of the Oregon Trail and California Trail The westward movement of Americans in the 19th century was one of the largest and most consequential migrations in history but the journey itself was fraught with risk It s easy for people with modern transportation to comfortably reminisce about the West but many pioneers discovered that the traveling came with various kinds of obstacles and danger including bitter weather potentially deadly illnesses and hostile Native Americans not to mention an unforgiving landscape that famous American explorer Stephen Long deemed unfit for human habitation 19th century Americans were all too happy and eager for the transcontinental railroad to help speed their passage west and render overland paths obsolete Around the time that the Civil War ended in 1865 the open ranges of south Texas were full of the cattle known as longhorns Hundreds of thousands of the distinctive steer with their horns spanning as much as seven feet from tip to tip roamed free on the range so cattle ranchers took advantage of the bounty and claimed the wild longhorns as their own With a beef shortage on the East Coast the demand for cattle was high so the ranchers just needed to get the cattle north from Texas to the nearest railroad Tennessee native Jesse Chisholm was a trader not a cattleman but the trail he blazed from his trading post in Wichita Kansas to the Red River in Texas became crucial to cattle drivers The trail was straight with few river crossing and no large hills to navigate and in some spots it was over 400 yards wide This made the Chisholm Trail ideal for both trade wagons and driving cattle Between 1867 and 1872 over one million head of cattle were herded from Texas to Kansas where they were then loaded onto a train and shipped east In due time cattle drives became a hallmark sight of the West and they ve frequently been depicted in modern media alongside typical Western images such as cowboys saloons mining towns and Native Americans Thus even as the existence of paths like the Chisholm Trail proved brief the Chisholm Trail provided a vital link in the cattle industry in a pivotal point in American history ensuring it remains intimately associated with the legends of the Old West The Chisholm Trail The History and Legacy of 19th Century America s Most Famous Cattle Drive Route examines how the various paths were forged the people most responsible for them and the most famous events associated with the trail s history Along with pictures depicting important people places and events you will learn about the Chisholm Trail like never before *The Chisholm Trail* Andrew Santella,R Conrad Stein,1998-03 Presents the history of the route which became the Main Street of the Texas cattle trade after the Civil War and remained until its closing in 1884 **CHISHOLM TRAIL** JAMES E. SHEROW,2025 *The Chisholm Trail* James Earl Sherow,2018 The Chisholm Trail follows McCoy s vision and the effects of the Chisholm Trail from post Civil War Texas and Kansas to the multimillion dollar beef industry that remade the

Great Plains the American diet and the national and international beef trade **Dictionary Catalog of the History of the Americas** New York Public Library. Reference Dept,1961 The Journal of American History ,1928 *Dictionary Catalog of the History of the Americas* New York Public Library. Reference Department,1961 The Texas Cowboy Kitchen Grady Spears,June Naylor,2007-10-01 A cookbook with essays photos and innovative recipes celebrating the mythology culture and food of the American cowboy As at home on the coffee table as it is on the kitchen counter this definitive cowboy cookbook features historical essays and photographs depicting life on the Chisholm Trail alongside fresh takes on cowboy cuisine Cowboy turned chef Grady Spears reinvents chuckwagon dishes from Barbecued Quail Tamales to Pork Tenderloin with Watermelon Salsa to Butterscotch Pie by elevating them to haute cowboy cuisine Equal parts cookbook history lesson and photographic essay The Texas Cowboy Kitchen blends Spears s distinctive culinary recipes with June Naylor s narrative of life on the Chisholm Trail and Erwin E Smith s award winning black and white cowboy photography and four color culinary shots Divided into 10 chapters ranging from Campfire Cocktails to Things You Don t Rope to Chuckwagon Secrets The Texas Cowboy Kitchen contains 100 original recipes perfected at Spears s renowned former restaurants the Chisholm Club in Fort Worth Texas and the Nutt House Restaurant in Granbury Texas both of which satisfied wags of hungry customers Grady s probably the only guy I know who could dress up a Frito pie and make it look pretty and the only cook who d think of marinating skirt steak in Dr Pepper He is equally at ease in a worn pair of leather chaps as he is wielding a saute pan Nolan Ryan Baseball Hall of Fame pitcher and lifelong cowboy Nonfiction Reading Comprehension, Grades 7 - 8 Schyrlet Cameron,Suzanne Myers,2012-01-03 Presents sample nonfiction reading selections covering a variety of content areas along with comprehension tests and activities for students in grades seven and eight **The Chisholm Trail** Wayne Gard,1979-04-01 Presents a history of the route which became the Main Street of the Texas cattle trade after the Civil War and remained until after its closing in 1884 *The American Historical Review* John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1927 American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world Published by the American Historical Association it covers all areas of historical research

The Oxford Dictionary of American Quotations Hugh Rawson, Margaret Miner, 2006 With nearly 6 000 quotations arranged historically and annotated extensively you ll know not just who said what but get the full story behind the quote Follow any of the more than five hundred topics from Abolition to Zeal and you will get a nutshell history of what great and not so great Americans had to say about each one Quotations are arranged chronologically in each topic allowing the reader to trace patterns of thought over time Fully indexed by author including brief biographical sketches and keyword this is an essential reference for anyone interested in the great people and ideas of American history The Southwestern Historical Quarterly ,1968 *Writings on American History* ,1960 Annual Report of the American Historical Association American Historical Association,1911 *The Horn Book Guide to Children's and Young Adult Books* ,2001 **The Texas Outlook**
