Chocolate Star:

Chocolate Star Sheila Copeland, 1998-08-15 He played the wrong game The song of preacher college basketball star Sean Sylk Ross prayed that God would get him in the NBA until he started playing games of love and power Then the way to fame was leading him toward a mistake that could send him straight to hell She never looked back Lies drugs too many men golden skinned singer Topaz Black would do anything to get a hit to the top of the charts even walk away from her friends and family But surrounded by greed and lust the love she longed for seemed to be slipping away forever He broke all the rules Brought up in South Central L A movie producer Gunther Lawrence learned early how to get the wealth and women he wanted and to turn his back on his roots Now blinded by Hollywood's glitter his illusions may shatter when he discovers who really controls his career As their lives touch ignite and explode three talented African Americans pursue fame at any cost and the price may be their happiness or their lives An alternate selection of the Literary Guild and Doubleday Book Club
