Robert Cormier s brilliant novel *The Chocolate War* is a compelling coming of age story about young people in conflict at a New England prep school The richly drawn characterizations and crackling dialogue keep the intriguing action moving from beginning to end As dramatized by Joseph Robinette all the elements of the book are brought vividly to life the humor drama despair and hope ultimately lead to an ending that is as satisfying as it is surprising Though a number of the roles are students at the prep school male an ensemble of 5 to 10 actors who voice the inner thoughts of the characters and comment on the proceedings throughout may be played by male or female or any combination thereof thus making for a well balanced cast if desired Publisher s website
