Chocolate Daze:

Chocolate Daze Elaine Moore,1997 A girl s elaborate schemes to reunite her parents lead to one humorous misadventure after another but ultimately end in a better understanding of a familiar family situation A funny and touching preteen novel by a well known author Lost Restaurants of Santa Cruz County Liz Pollock,2020-03-16 Millions of people come to Santa Cruz every year to enjoy the beach and eat at one of the many popular restaurants Favorite places have come and gone but they haven t been forgotten From the treasured Miramar Fish Grotto in business for more than seventy years to Nature s Harvest local seasonal food has always been a staple of this little slice of paradise Food trends were embodied in places like the Wild Thyme Caf and the S ba Club alongside longtime fixtures such as the Tea Cup and Adolph s Italian Family Restaurant catering to locals and tourists alike Author Liz Pollock combines wonderful stories and classic cocktail recipes from bygone eras in this trip down memory lane Down Life'S Trail D. Russell Walker,2015-02-21 For more years than most of todays population could possibly recall I had been writing poems about my family my own true adventure stories and just about anything of interest to me which has been just about anything I had catalogued shelved boxed and stored material throughout the years all the while that I had been experiencing the many facets of my more varied than some life From the time that I was a little farm kid the workings of nature and its wild faces had held intrigue to my mind Consequently by the time that I became old and bold enough to begin my own quest of adventure I just plainly let it happen Any opportunity to explore life and of things not yet known to me became open season for my whims In those early years I had managed to scribble down numerous discoveries that evolved as I waded through lifes happenings Eventually I had accumulated many written utterances and at first kept them in piles and eventually files Through the urgings of family and friends it has come to the point of sharing my writings of adventurous ramblings with others But where should I start The grab bag of writings that I have dealt from for this first widely published volume of mine which I had decided to name Down Lifes Trail for in many ways it does reflect selections written by myself along the bumpy road of life At the age of twenty two I had started out on my own after schooling for the profession as a photographer This required traveling many miles first within Maine then to other locations across the country and involving aerial photos along with all others I had recorded and kept records of many of the special locations that I had flown over or photographed both in writings and photos Now has come the time for me to pursue the publishing of some of my collections I had promised to my local audience that had been reading my work over the years that I would indeed take a shot at publishing a book of poetry My decision right or wrong is now to begin my offerings with this aptly named volume of Down Lifes Trail for the following has been derived from short story poems written as I was tripping along lifes trail Hopefully you will read and enjoy the enclosed pages that have been randomly selected from the far reaching trail of my life Forecast ,1924 **Forthcoming Books** Rose Arny,1998-04

Between the Grey is a collection of poems written to make people think in more than one way about a given aspect of their life or someone else s Some may read a poem within this book and see a light that they would love to strive to possess while others may read the same line and see a distress signal needing to be fought It is all about the interpretation to the reader and I challenge people to try and see the opposite perspective as well Life isn t black and white it is grey but I challenge this as well I believe there is more to it then the grey area and that lies in finding what others see and taking a look into why their conceptions of the world are the way they are *Memories Revisited* Betty Ann Henley Vollenweider,1995 Reba Elizabeth
