*Antiphon the Athenian* Michael Gagarin, 2010-01-01 Antiphon was a fifth century Athenian intellectual ca 480 411 BCE who created the profession of speechwriting while serving as an influential and highly sought out adviser to litigants in the Athenian courts Three of his speeches are preserved together with three sets of Tetralogies four hypothetical paired speeches whose authenticity is sometimes doubted Fragments also survive of intellectual treatises on subjects including justice law and nature physis which are often attributed to a separate Antiphon the Sophist Were these two Antiphons really one and the same individual endowed with a wide ranging mind ready to tackle most of the diverse intellectual interests of his day Through an analysis of all these writings this book convincingly argues that they were composed by a single individual Antiphon the Athenian Michael Gagarin sets close readings of individual works within a wider discussion of the fifth century Athenian intellectual climate and the philosophical ferment known as the sophistic movement This enables him to demonstrate the overall coherence of Antiphon s interests and writings and to show how he was a pivotal figure between the sophists and the Attic orators of the fourth century In addition Gagarin s argument allows us to reassess the work of the sophists as a whole so that they can now be seen as primarily interested in logos speech argument and as precursors of fourth century rhetoric rather than in their usual role as foils for Plato *Antiphon and Andocides*

*Antiphon, Andocides*, Michael Gagarin, Douglas M. MacDowell, 1998 Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology and other aspects of Athenian culture that have been largely ignored women and family life slavery and religion to name just a few This volume contains the works of the two earliest surviving orators Antiphon and Andocides Antiphon ca 480 411 was a leading Athenian intellectual and creator of the profession of logography speech writing whose special interest was law and justice His six surviving works all concern homicide cases Andocides ca 440 390 was involved in two religious scandals the mutilation of the Herms busts of Hermes and the revelation of the Eleusinian Mysteries on the eve of the fateful Athenian expedition to Sicily in 415 His speeches are a defense against charges relating to those events *The Essentials of Choir Boy Training* Walter Henry Hall, 1906

**Greasepaint Puritan** Maya Cantu, 2024-01-16 Greasepaint Puritan details the life and work of Bradford Ropes author of the bawdy 1932 novel 42nd Street on which the classic film and its stage adaptation are based Each of Ropes s long forgotten novels was inspired by his own experiences as a performer and focused on the lives of gay men in show business offering rare glimpses into backstage Broadway But why did Ropes s body of work and consequently his biographical footsteps disappear into such obscurity Greasepaint Puritan aims to find out and reclaim his story Descended from Mayflower Pilgrims Ropes rebelled against the Proper Bostonian life in a career that touched upon the Jazz Age

American vaudeville and theater censorship We follow Ropes s successful career as both a performer and the author of the trilogy of backstage novels 42nd Street Stage Mother and Go Into Your Dance Populated by scheming stage mothers precocious stage children grandiose bit players and tart tongued chorines these novels centered on the lives and relationships of gay men on Broadway during the Jazz Age and Prohibition era Rigorously researched Greasepaint Puritan chronicles Ropes s career as a successful screenwriter in 1930s and 40s Hollywood where he continued to be a part of a dynamic gay subculture within the movie industry before returning to obscurity in the 1950s His legacy lives on in the Hollywood and Broadway incarnations of 42nd Street but Greasepaint Puritan restores the forgotten melody of the man who first envisioned its colorful characters *The Boy's Own Annual* ,1889 **The Life and Adventures of Lyle Clemens** John Rechy,2004 Modeled on the classic 18th century picaresques like Fielding s *The History of Tom Jones a Foundling* and Defoe s *Moll Flanders* *The Life and Adventures of Lyle Clemens* is the modern day bildungsroman of a prodigiously attractive young Texan named Lyle Clemens Lyle is kind of a holy fool who like Chance in *Being There* illuminates the actions motivations and prejudices of others through his lack of cynicism He is a simple babe in the woods of Texas and Los Angeles Lyle s mother Sylvia is a beautiful woman who was raised Pentecostal and rebelled against her mother through sexuality but her dreams to become Miss America were dashed by her mother in a particularly traumatic way and Lyle s father Lyle the First a dashing cowboy who consoled her in her time of need left her when she became pregnant leaving only money for an abortion Sylvia never got Sylvia never talks about her own childhood or Lyle I and takes refuge in alcohol an entertaining Chicana Catholic kook named Clarita given to religious visions and wacky pronouncements helps Sylvia raise Lyle Despite his unusual circumstances Lyle has a sunny disposition Like his father Lyle is given to wearing cowboy boots and other Western attire and often has to explain to people that he s never actually ridden a horse Things come to a head when Lyle reaches sexual maturity and falls in love with a girl in his school a beautiful young Chicana named Maria Unfortunately Maria s father Armando was one of Sylvia s boyfriends and thinks he is Lyle s father Sylvia out of vague sexual possessiveness toward her son colludes with Armando to keep them apart though she knows in her heart Lyle I is the father The Pentecostals who fought to keep Sylvia in the fold all those years ago come back to town and desperate Sylvia takes Lyle to a tent revival She quickly comes to her senses and realizes she has no place there but they are already smitten with Lyle s amazing good looks beautiful guitar playing and singing and natural charisma They begin to recruit him to come to Los Angeles to join their Pentecostal televangelism empire Alienated from Maria and fed up with his mother Lyle decides it s time for him to strike out on his own so he follows Brother Bud and Sister Sis to L A A black woman named Matilda of the Golden Voice now alienated from Bud and Sis encourages his musical gift but warns him obliquely not to trust Bud and Sis Quickly Bud and Sis begin grooming Lyle as the newest Christian star sensation dubbing him The Lord s Cowboy Meanwhile a desperate and vain B movie actress named Tarah Worth is angling to make a comeback She hears she is up for the role of Helen Lawson the older

washed up actress character in a sequel to Valley of the Dolls Shortly after arriving in town Lyle has taken a job working at a party at the Playboy Mansion and saves Miss Millennium a Playmate from a feral peacock He becomes known around L A as the Mystery Cowboy and Tarah hatches a plan in which Lyle will be framed for kidnapping her that she feels will assure her the Valley of the Dolls role One of Lyle s friends from Texas a gay kid named Raul shows up in L A Bud and Sis are none too thrilled that their charge is trusting his gay friends and Sister Matilda over them and he breaks from them on air during their televangelist show which they play off as demonic possession Lyle attempts to keep Raul from getting bilked by sketchy pornographers and to otherwise protect him from the seedier elements preying on gay street kids in L A Maria shows up in town to announce that she still loves Lyle sleep with him one last time and then inform him she s marrying a business contact of her father s for money Lyle feels betrayed and tells her he never wants to speak to her again Most dramatically Lyle finally meets his father Having been told he s an abandoning son of a bitch his entire life he s very angry and hostile but there is some closure and a hint of rapprochement He also learns from a letter from Clarita that his mother s difficult life is over and gains some insight into her childhood The end comes when he re encounters Sister Matilda now preaching on the street comparing her father s lynching to the Crucifixion and takes her to lunch at Musso Frank s Feeling a sense of great tragedy and change he takes off his clothes and on a busy street in L A does the preacher strut and sings Amazing Grace as a tribute to his mother jeered by passersby
