Christ And Krishna:

Christ and Krishna John Mackinnon Robertson,1889 *Messengers Of Peace - Similar Teachings Of Jesus Christ And Lord Krishna* Swami Saurabhnath,2015-07-10 This book shows the common teachings of Jesus Christ and Lord Krishna When we look at Hinduism and Christianity we find totally different ideologies with different doctrines and different gods But when I studied Bible I found striking similarities between the teachings of Jesus Christ and Hinduism In this book I have tried to show those similarities by putting the teachings of Jesus and Krishna together It is not my intention to show Jesus as a Hindu Guru I don t know if He had visited India or not I have just tried to show that the Consciousness of humanity is same everywhere and prophets of different time and place have expressed the same reality about it Saurabh *Christ & Krishna, Volume 1* Bhakti Marga,2019-12-01 What is religion In the pure sense of the word religion means to reconnect to God Yet in today s world it is so rarely seen as that Religion is seen as divisive dogmatic sometimes even primitive But what is the cause of this We see that humans and their ideas are most often the cause of unnecessary conflict unnecessary division and unnecessary tension At the core of both Christianity and Hinduism lie God s words recorded in their respective scriptures Yet so often we struggle to truly understand them Volume 1 of the Christ Krishna set highlights and dives deep into the thematic of who God is the Creation of the Universe who are we and how to come closer to or to attain God By using the quotes from the Bhagavad Gita the Bhagavatam and the Bible this book gives you the opportunity to rediscover the timeless purity and essence of Christianity and consequently drawing a comparative analysis to the world s oldest religion Hinduism The reader is invited to look deeper and out of the box of doctrines In the depths of everyone is the same Truth the same Love the same Essence **Jesus Christ - A Misnomer of Lord Krishna of India** Ravi Prakash Arya,2014-10-03 The present book makes an humble attempt to analyze the various conflicting and contradictory views about the person of Jesus Most of the scholarly findings were relating the legends associated with Jesus the Christ with Lord Krishna of India others were finding Buddhist element in his teachings and character Yet another type of studies were negating the historicity of Jesus the Christ In view of all these conflicting and contradictory findings one gets confused and face a volley of questions as to whether Jesus really lived in India Whether there was any person known as Jesus in first century Was he born to a virgin or not Was he born on Dec 25th or some other date Did he really start preaching at the age of 30 Was he reincarnated from Baptist John Was he a good shepherd or cowherd Whether he was born in Bethlehem or Nazareth This compelling book tries to solve the Jesus riddle in the presence of the plethora of stories woven around the Jesus **Spiritual Movements of Christ Or Krishna** Karl Anderson,2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Christ & Krishna, Volume 2* Bhakti Marga,2019-12-01 At

Ninan,2018-09-14 Way back in the year 2005 when we met in New York at the First International Conference on Early Christianity in India the scholarship that were present felt that we have discovered the secret of the history after a long period of research into the history of the Language of Sanskrit and the history of the religion today known as Hinduism My study in this area appeared in the Souvenir of the Conference which I thought was a ground breaking work and was wondering how with all the historic realities and documentary and archeological evidences why no one else thought about this earlier So when I stumbled on the Christ vs Krishna by Sakes written over 120 years ago I

was clean flabbergasted How could such a clear understanding of realities remained hidden to the scholarship for such a long time **Krishna** Sri G. Ananda,2014-08-12 What is the Gospel Knowing the answer to this question is vital if one is to receive salvation for belief in the wrong gospel will not save but condemn Gal 1 6 9 In the Gospel of Matthew Jesus himself explains the Gospel in his very own way for it is written Jesus said to them The Son of Man will be crucified On the third day he will be raised to life Whoever wants to become great among you must be your servant just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many Matthew 20 17 19 26 28 To save you from eternal damnation God sent His Son Jesus Christ into the world to become its savior Because God so loved the world John 3 16 He gave his own son to pay the penalty for our sins on the cross This is the good news of the Gospel By his blood you can pray to invite Jesus into your heart If you do this he will become your personal Lord and Savior The promise given to all true believers is as follows Whoever is thirsty let him come and whoever wishes let him take the free gift of the water of life the tree of life and the holy city Revelation 22 17 19 Instead of hunger and thirst you are given the promise of the water and of the tree of life Through the blood of Christ you will return to paradise for from paradise man was taken and to paradise man must return In the restoration of all things the end is like the beginning Acts 3 21 For this reason the Apostle Paul in his letter to the Romans clarified the forgiveness that is found in Jesus saying All have sinned and fall short of the glory of God but God demonstrates his own love for us in this While we were still sinners Christ died for us for the wages of sin is death but the gift of God is eternal life in Christ Jesus our Lord If you confess with your mouth Jesus is Lord and believe in your heart that God raised him from the dead you will be saved Romans 3 23 5 8 6 23 10 10 The gospel is the good news of the death burial and resurrection of Jesus Christ of whom the Bible declares Salvation is found in no one else for there is no other name under heaven given to men by which we must be saved Acts 4 12 And Jesus said of himself I am the way and the truth and the life No one comes to the Father except through me John 14 6 Why is this such wonderful news It provides full and free deliverance from the power and penalty of sin This is according to the grace of God alone through faith in Jesus Christ alone for it is by grace you have been saved through faith Eph 2 8 10 However in the Gospel of Luke Jesus warns I tell you Nay but except ye repent ye shall all likewise perish Lk 13 3 If you simply turn from your sins by turning to the cross you will experience the renewal that the Holy Spirit brings Believe in your heart that Christ died and rose again That is faith in God The only way you can be saved is by accepting His free gift of eternal life When this happens the evidence of true belief is the presence of the Holy Spirit for he convicts you of sin causes spiritual birth indwells seals sanctifies guides equips teaches

- A Brief Comparison Between the Chief Events, Characteristics, and Mission L. A. Sakes,2007-03 PREFACE THE Author of this very practical treatise on Scotch Loch Fishing desires clearly that it may be of use to all who had it He does not pretend to have written anything new but to have attempted to put what he has to say in as readable a form as possible Everything in the way of the history and habits of fish has been studiously avoided and technicalities have been used as sparingly as possible The writing of this book has afforded him pleasure in his leisure moments and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general This section is interleaved with blank sheets for the readers notes The Author need hardly say that any suggestions addressed to the case of the publishers will meet with consideration in a future edition We do not pretend to write or enlarge upon a new subject Much has been said and written and well said and written too on the art of fishing but loch fishing has been rather looked upon as a second rate performance and to dispel this idea is one of the objects for which this present treatise has been written Far be it from us to say anything against fishing lawfully practised in any form but many pent up in our large towns will bear us out when we say that on the whole a days loch fishing is the most convenient One great matter is that the loch fisher is dependent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best A common belief in regard to loch fishing is that the tyro and the

experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing **From Chrishna to Christ** Raymond W.
