Christ And Narcissus Prayer In A Self Centered World:

Christ and Narcissus Warren McWilliams,1992 Warren McWilliams explores the tension between Christian thought and contemporary often self centered values that characterize narcissism He argues that a comprehensive balanced theology of prayer enables Christians to counter narcissism in a positive winsome way Particularly Jesus Model Prayer helps us focus on God instead of self

The Prayer of Jesus Robert M. Solomon,2009

Let Us Prey, Revised Edition Darrell Puls,2020-06-10 Jesus warned of wolves carefully disguised as shepherds coming into local churches as pastors It is the perfect disguise for a predator to access and devour the flock one lamb at a time while proclaiming himself as their protector and guardian The result is spiritual devastation broken congregations and even destroyed churches Darrell Puls attests from experience that the enemy has infiltrated the North American church through pastors with dangerously high levels of narcissism These pastors hide under layers of the sacred but it is always an illusion of smoke and mirrors Puls has experienced this reality from the inside as a staff pastor under a narcissist and from the outside as a church consultant He carefully unpacks toxic narcissism in everyday terms and lets the victims tell their own stories Let Us Prey Revised Edition is as real as it gets

A God Beyond Belief Lance Moore,2019-12-14 Something Has Gone Terribly Wrong We face a spiritual crisis but the extremes of religious fundamentalism on one hand and scientific atheism on the other offer no cure Scepticism is soaring especially among Millennials Daily we read of scandals among our politicians priests and Hollywood stars Mass shootings are epidemic yet entertainment media glorifies violence Drugs not religion as Karl Marx claimed are now the opiate of the masses Christian TV preachers use donations to purchase private jets and mansions while children starve The White House has claimed that Truth is not the truth Our leaders and institutions have lost all moral authority A common religious response to crisis is to thump the Bible harder and louder This book challenges us to go beyond a simple childish belief Dr Lance Moore offers an intelligent faith rooted in a respect for Scripture while taking a fresh look at calcified orthodoxies He invites readers to embrace paradox in Spirituality and in Science to rediscover God for our Quantum Age
