Christ And The Sacrament Church:

Christ and the Sacrament Church Pierre Talec,1983 **Christ, the Sacrament of the Encounter with God** Edward Schillebeeckx,1963 A standard in understanding the relationship between Christ Sacrament and the Church A positive and constructive ecclesial theology *Introduction to Sacramental Theology* Jose Granados,2021-06-18 Introduction to Sacramental Theology presents a complete overview of sacramental theology from the viewpoint of the body This viewpoint is supported in the first place by Revelation for which the sacraments are the place where we enter into contact with the body of the risen Jesus It is a viewpoint secondly which is firmly rooted in our concrete human bodily experience thus allowing for a strong connection between faith and life creation and redemption From this point of view the treatise on the sacraments occupies a strategic role For the sacraments appear not as the last of a series of topics after dealing with Creation Christ the Church but as the original place in which to stand in order to contemplate the entire Christian mystery This point of view of the body which resonates with contemporary philosophy sheds fruitful light on classical themes such as the relationship of the sacraments with creation the composition of the sacramental sign the efficacy of the sacraments the sacramental character the role of the minister or the relationship of the sacrament with the Church as a sacrament As a result of this approach the Eucharist takes on a central role since this is the sacrament where the body of Jesus is made present The rest of the sacraments are seen as prolongations of the eucharistic body so as to fill all the time and space of the faithful This foundation of the theology of the sacraments in eucharistic theology is supported by an analysis of the patristic and medieval tradition In order to support its conclusions Introduction to Sacramental Theology examines the doctrine of Scripture especially St John and St Paul the main patristic and medieval authors St Augustine Hugh of St Victor St Bonaventure St Thomas Aquinas the response of Trent to the protestant challenges up to modern authors such as Scheeben Rahner Ratzinger or Chauvet including the teaching of Vatican II about the Church as a kind of sacrament **Meeting Jesus in the Sacraments** Pope Francis,2015-02-26 The Sacraments are not mere appearances they are not rituals they are the power of Christ Jesus Christ is present in the Sacraments Pope Francis Baptism Confirmation the Eucharist Holy Matrimony Reconciliation Holy Orders and the Anointing of the Sick as Catholics we are familiar with the sacraments and see them as mileposts in our lives But as Pope Francis so energetically reminds us they are not simply observances they are portals through which the Lord brings us all the power and graces that flow from his death and Resurrection And wonderfully each sacrament opens us to a personal encounter with Jesus Now in 32 easy to read chapters Pope Francis reveals the truth and beauty of each Sacrament teaching us not only what they mean to the Church but to us as Catholics ultimately motivating us each to share these incredible gifts with a needy world **Christ the Sacrament of the Encounter with God , Fellowship with Christ** Stephen Higginson Tyng,1854 **The Sacraments and Sacramental Ordinances of the Church; Being a Plain Exposition of Their History, Meaning, and Effects** John Henry Blunt,1867 The
