## **Christ In A Post Christian World:**

Christ in a Post-Christian World Pamela Dickey Young, 1995      **When Anything Goes** Leslie Williams, 2016-03-01 Since the beginning every age has produced apologists who defend and define the Christian faith against current ideas and trends that threaten it Today s defenses come while congregations are dwindling God is removed from schools and those still looking for answers to faith questions are being labeled with words that are no longer accurate as soon as they exist the seekers the Nones the spiritual but not religious the neither spiritual nor religious While America believes we live in a post Christian world a world where anything goes Leslie Williams explores why Jesus Christ is still the answer for a culture that outlaws public prayer lives in the fast food lane and tweets and twitters to communicate In a lively personal and humorous style Williams shares experiences and debunks criticisms in search of a clear explanation of why we believe what we believe Along the way she invites you to disagree with ideas to counter the rhetoric to refute the conclusions but to wrestle with the questions and experiences enter your own journey and discover for yourself why being Christian still makes sense

Post-Christian Gene Edward Veith Jr., 2020-01-07 Undaunted Hope in a Post Christian World We live in a post Christian world Contemporary thought claiming to be progressive and liberating attempts to place human beings in God s role as creator lawgiver and savior But these post Christian ways of thinking and living are running into dead ends and fatal contradictions This timely book demonstrates how the Christian worldview stands firm in a world dedicated to constructing its own knowledge morality and truth Gene Edward Veith Jr points out the problems with how today s culture views humanity God and even reality itself He offers hope filled practical ways believers can live out their faith in a secularist society as a way to recover reality rebuild culture and revive faith      **Exiles** Michael Frost, 2006-08-01 Exiles Living Missionally in a Post Christian Culture presents a biblical Christian worldview for the emergent church people who are not at home in the traditional church or in the secular world As exiles of both they must create their own worldview that integrates their Christian beliefs with the contemporary world Exiles seeks to integrate all aspects of life and decision making and to develop the characteristics of a Christian life lived intentionally within emerging postmodern culture It presents a plea for a dynamic life affirming robust Christian faith that can be lived successfully in the post Christian world of twenty first century Western society This book will present a Christian lifestyle that can be lived in non religious categories and be attractive to not yet Christians Such a worldview takes ecology and politics seriously It offers a positive response to the workplace the arts feminism mystery and worship Exiles seeks to develop a framework that will allow Christians to live boldly and courageously in a world that no longer values the culture of the church but does greatly value many of the things the Bible speaks positively about This book suggests that there us more to being a Christian than meets the eye It explores the secret unseen nooks and crannies in the life of a Christian and suggests that faith is about more than church attendance and belief in God Written in a conversational easy to read style Exiles is aimed at church leaders pastors and laypersons and seeks to address

complex issues in a simple manner It includes helpful photographs and diagrams      **Revolution and Fall** Charles Grice,2016-12-07 What happened to this world How did Western Civilization with its traditions of religious values and beliefs reaching back over a thousand years suddenly become a fractured culture of individualism unmoored from its past These are the questions being asked today by people of faith Revolution and Fall takes the reader from the beginnings of this secular revolution through its present evolution and its subtle ways of persuasion In these chapters you will gain a greater understanding of modernitys assaults upon the Church how it seized the public square with its shrill political voice and how it distorts valid science to promote its agenda of agnosticism Only with an understanding as to why this revolution began and how it was able to seize the mind of our modern world will Christians and other people of faith be prepared to ask a deeper question What should we do With these insights into what historians call a Post Christian world we will realize its failure to answer the most basic questions of human life and living also realizing how fragile are its foundations as they begin to crumble Revolution and Fall is a journey through Western culture that will restore the proper confidence of faith

Evangelism in a Post Christian Culture Dr Alastair Ferrie,2008-08-29 Evangelism in a Post Christian Culture is the challenge facing the church today Alastair Ferrie brings more than thirty years experience of preaching the gospel and sharing his faith One of the greatest needs of the growing church is a training program for the whole church in evangelism Those engaged in ministry will find this work invaluable and those committed Christians in the pews will find this book a framework which will revolutionize their effectiveness in evangelism Many Christians will admit to not knowing where to begin This book explains and outlines an approach that can be used effectively in sharing the gospel The material will also be useful for preaching and for use in Bible discussion groups A companion volume to this work Step by Step Aftercare for New Christians is also published by iUniverse Credit for Cover Ray Ferrie The book begins with a discussion on worldview which explains the difficulty we often have in communicating the gospel with a world that has truly become post Christian A five fold foundational Christian worldview is put forward and contrasted with a Darwinian model so prevalent in the world today This is followed by several chapters outlining an approach to evangelism based on the seven signs of John s gospel These things are written that you might believe The book is rounded off with several chapters with the theme I believe because These are arguments that the author has presented in many home Bible studies to help people to see some reasons for believing The world is constantly presented with reasons for NOT believing and it is time for the church to step forward with some reasons for believing      **The Ever-Loving Truth** Voddie Baucham,2004 Voddie Baucham has a message for Christians in today s postmodern culture it s time to take a stand for the truth The Ever Loving Truth addresses the cost of being a twenty first century Christian in a world quickly running away from the concept of absolute truth much less the knowledge and wisdom of truth But the unchanging truth of God s Word still holds preeminence in relevance and answers to contemporary life issues The Ever Loving Truth shows how committed Christians in society today just like the New

Testament writers Peter and John can as followers of Christ stand humbly but boldly in the marketplace of ideas and proclaim the truth to a culture void of everlasting answers Book jacket      *By the Waters of Babylon* Scott Aniol, 2015 A guide to biblically shaped worship which has the greatest missional impact in a post Christian culture By the Waters of Babylon examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance Imagine how the Hebrews felt during their years of captivity in Babylon How could they sing the songs they once sang in the splendor of Jerusalem now that they sat in exile Christian worship in the West faces many of the same challenges as this tragic account of Israel's captivity By all accounts Christendom is dead and unbiblical beliefs have progressively permeated Western thought expectations and culture So how should churches respond to this seismic shift in their relationship with an increasingly post Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ By the Waters of Babylon will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God's truth through appropriate cultural forms will have the most missional impact in a post Christian context      How to Catch Feelings for Jesus Andrew Christopher Uttaro, 2022-11-09 Jesus Christ is a character not unlike Elvis to many of us born into places that have historically been bathed in Christianity Sure maybe he's a decent guy but I don't want to put on the shiny blazers The whole idea of a relationship with Jesus may be quite off putting on the face of it for those of us not keen on throwing our hands up in the air in praise concerts or kneeling and reciting centuries old creeds on a weekly day off The way to a relationship with Jesus that often gets lost in all the preaching is that it's caught not taught As someone who began his relationship with Jesus with a simple I'll give this Jesus thing a try Uttaro still struggles with the awkwardness of it all Sometimes the only way we can get past all the deafening noise of the faith as it exists in our culture is to give ourselves the opportunity to catch feelings instead of endure being taught the same tired anachronisms that orbit that name Jesus In *How to Catch Feelings for Jesus* we will go about a personal step by step journey to such a relationship with Jesus      **C.S. Lewis--The Work of Christ Revealed** P. H. Brazier, 2012-08-14 C. S. Lewis *The Work of Christ Revealed* focuses on three doctrines or aspects of Lewis's theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of *aut Deus aut malus homo* either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C. S. Lewis titled *C. S. Lewis Revelation and the Christ* [www.cslewisandthechrist.net](http://www.cslewisandthechrist.net) The books are written for academics and students but also crucially

for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis's work

**Hope of Nations** John S. Dickerson, 2018-06-05 Every week a terrorist attack riot or political scandal makes the headlines and we feel the world around us shaking again We struggle to separate truth from biased statements and hope from naiveté We wonder how we got here and where these uncertain days will take us One of the world's top investigative reporters John S. Dickerson addresses this post truth post Christian society in *Hope of Nations* *Hope of Nations* shows us how and why the world is changing where those changes will lead and what it looks like to live like Christ in today's society With fascinating historical and political background Dickerson helps us understand The five major forces driving global change in the world today Why violent displays of Islam continue resurfacing The incoming moral social and political impact of American millennials Ten ways to respond biblically to trends shaping the world right now How to live with Christian courage and compassion in tumultuous times Times of great social upheaval are times of great spiritual opportunity writes Dickerson You can live the adventure of this era with great purpose You can know with confidence that the Creator of the universe appointed you to bring light and life to this moment in human history Among the youngest award winning journalists and a seminary trained pastor Dickerson brings his reporting skills generational perspective and biblical insights to this groundbreaking book Get a larger view of what is happening with your community your government and your international neighbors in this thoughtful look at global events in light of your unique Christian calling

**A Peculiar People** Rodney R. Clapp, 1996-11-12 Rodney Clapp asks and answers the question How can the church provide a significant alternative to the culture in which it is embedded

**Theology After Christendom** Joshua T. Searle, 2018-02-14 Christianity must be understood not as a religion of private salvation but as a gospel movement of universal compassion which transforms the world in the power of God's truth Amid several major global crises including the rise of terrorism and religious fundamentalism and a sudden resurgence of political extremism Christians must now face up fearlessly to the challenges of living in a post truth age in which deceitful politicians present their media spun fabrications as alternative facts This book is an attempt to enact a transformative theology for these changing times that will equip the global Christian community to take a stand for the gospel in an age of cultural despair and moral fragmentation The emerging post Christendom era calls for a new vision of Christianity that has come of age and connects with the spiritual crisis of our times In helping to make this vision a reality Searle insists that theology is not merely an academic discipline but a transformative enterprise that changes the world Theology is to be experienced not just behind a desk in an armchair or in a church but also in hospitals in foodbanks in workplaces and on the streets Theology is to be lived as well as read

*Stand Firm* John MacArthur, 2020 In *Stand Firm* John MacArthur resounds the Christian's call to holiness He does this by outlining some of the dimensions of the Christian life especially as it relates to living in a post Christian era First he addresses the importance of having and maintaining a Christian conscience Second he talks about the importance of the Christian to not only his neighbor but also to

love his enemy and this is largely done through a focus on the teaching of Deuteronomy and on the teaching of Jesus Christ in Matthew 5 Third he further elaborates on the nature of the Christian love and the fact that it often mean loving in a sacrificial way that can require suffering Fourth he asserts the necessity of prayer in the Christian life and also elaborates on the true substance of Christian prayer Fifth he corrects any false notion that Christian faith is meant to garner influence in culture He calls this the myth of influence Finally he drives home the importance of persevering to the end of this life as a distinguishing mark of the Christian life underscoring the title of the book Stand Firm Another City Barry Harvey,1999-06-01 In contrast to the City that is the world including the hedonism and narcissism of popular culture that virtually all human beings now inhabit the author calls upon the church to remember that it is Another City that does not compromise itself by giving allegiance to any political entity that belongs to this world Christ for Post-Christians Fred W. McRae,2015-10-20 How do you introduce people to Jesus Christ who have had no contact with the Bible or its message How do you reach those who have had no contact with the church and do not understand Christian terminology and may have a negative view of Christians This is the culture in which we now find ourselves By explaining how to use Bible discussion groups to introduce the gospel message in a relevant way in today s post Christian culture this book introduces the reader to a new and radical form of the small group Bible study This study is solely oriented toward the needs of the post Christian This book trains the reader to establish grow and lead Bible studies oriented toward those who do not understand Christian vocabulary have little or no knowledge of the Bible and have never heard the gospel The author believes that the best missionary is the Bible itself Instead of the leader answering any questions the attendees may have the Bible provides the answers to questions posed Thus this book will give the reader confidence to let the Bible do the important task of evangelism **Christian Worldview** Philip Graham Ryken,2013-10-31 Everything we do say and think reflects our fundamental worldview Whether we realize it or not basic beliefs about God man good and evil history and the future inevitably shape how we view and interact with the world In this accessible student s guide Phil Ryken author and current president of Wheaton College explains the distinguishing marks of a distinctly Christian worldview exploring the existence of God the nature of creation the role of grace and God s plan for the future Written for both Christians and non Christians this handy resource will help believers develop a cohesive worldview while offering unbelievers a succinct introduction to the foundational tenets of the Christian faith **The Rebirth of the Church** Eddie Gibbs,2013-07-15 Churches across the Western world have become increasingly fragmented and marginalized often struggling to survive Here Eddie Gibbs a bestselling author and veteran church and culture expert addresses the challenges of re imagining the church in a post Christian world He gleans critical biblical insights from the early church s experience to help contemporary leaders and churches minister more effectively Gibbs compares and contrasts the social and cultural context of the twenty first century with the first century exploring what can be learned about the birthing of churches in the book of Acts and in Paul s letters

He identifies the issues Paul faced in order to sustain a movement growing exponentially and considers what lessons might be learned in addressing current challenges in the church The book examines vital issues not only for the survival of the church but also for its revitalization and rebirth and provides direction for local churches on becoming agents of mission
