Christ in Eastern Christian Thought John Meyendorff, 1975 **Christ in Eastern Christian Thought** John Meyendorff, 1969 **Christ in Eastern Christian Thought** John Meyendorff, 1975 **Orthodox Christianity** Carl S. Tyne, 2003 The Orthodox Church is one of the three major branches of Christianity There are over 300 million adherents throughout the world The Orthodox Church is a fellowship of independent churches which split from the Roman Church over the question of papal supremacy in 1054 The Orthodox adherents include people in Greece Georgia Russia and Serbia There are an estimated one million members in the United States This Advanced book explains the basic principles of Orthodox Christianity and describes in detail the holidays observed by the Orthodox Church In addition relevant book literature is presented in bibliographic form with easy access provided by title subject and author indexes Light from the Christian East James R. Payton Jr., 2007-07-26 James R Payton Jr introduces us to Eastern Orthodox history theology and practice For all readers interested in ancient ecumenical Christian theology and spirituality this book is especially open and sympathetic to what evangelicals can learn from orthodoxy

Hidden and Revealed (Studies in Historical and Systematic Theology) Dmytro Bintsarovskiy, 2021-07-14 A major contribution to ecumenical reflection on the doctrine of God The past century has seen renewed interest in the doctrine of God While theological traditions disagree their shared commitment to Nicene orthodoxy provides a common language for thinking and speaking about God This dialogue has deepened our understanding of this shared way of thinking about God but little has been done across ecumenical lines to explore God's hiddenness in revelation In *Hidden and Revealed* Dmytro Bintsarovskiy explores the hiddenness and revelation of God in two separate theological streams Reformed and Orthodox Bintsarovskiy shows that an understanding of both traditions reflects a deep structure of shared language history and commitments while nevertheless reflecting real differences With Herman Bavinck and John Meyendorff as his guides Bintsarovskiy advances ecumenical dialogue on a doctrine central to our knowledge of God **A Convergence of Advaita Vedānta and Eastern Christian Thought** Kalarikkal Poulose Aleaz, 2000 Preservation and Protest Ryan Patrick McLaughlin, 2014-11-01 *Preservation and Protest* proposes a novel taxonomy of four paradigms of nonhuman theological ethics by exploring the intersection of tensions between value terms and teleological terms McLaughlin systematically develops the paradigm of cosmocentric transfiguration arguing that the entire cosmos shares in the eschatological hope of a harmonious participation in God's triune life With this paradigm McLaughlin offers an alternative to anthropocentric and conservationist paradigms within the Christian tradition an alternative that affirms both scientific claims about natural history and the theological hope for eschatological redemption *Theological and Spiritual Dimensions of Icons According to St. Theodore of Studion* Theodor Damian, 2002 Offers a message of hope and trust for the spiritual ecumenism of our time which combines the sanctity of man with the transformation of creation Byzantinoslavica, 2005 *Eastern Christianity*

and Late Antique Philosophy ,2020-06-29 Readers of Eastern Christianity and Late Antique Philosophy will find a collection of authoritative papers from across the Neoplatonic and Eastern Christian traditions It is only recently that scholars have started to take notice of the Eastern Christian engagement with late antique philosophical texts This volume builds upon this new interest in order to show the dynamic nature of Neoplatonism and Eastern Christianity at a time when both faced a variety of challenges The legacy of Greek philosophy in the Christian East fills the gap between the schools of Alexandria and Baghdad and brings into focus the intellectual history of the period The aim of the volume is to stimulate interest in late antique philosophy and its reception in the Christian East **Christian Scholar's Review** ,1995 Academic American Encyclopedia ,1998 A twenty one volume set of encyclopedias providing an alphabetical listing of information on a variety of topics *Deification in Eastern Orthodox Theology* Emil Bartos,1999 This book examines the past and present of the English parish system and proposes a new way of structuring the church in England rooted in the Anglo Saxon world The English parish is in a state of crisis Ideally suited to the static agricultural hierarchical society in which it developed it has become a severe impediment to the Church s work today It needs to change In this fascinating and insightful book Nick Spencer explores the parish s past present and future He shows that rather than being synonymous with English Christianity the parish was a comparatively late arrival on the scene and one whose main roots were economic and social rather than ecclesiastical He goes on to explain why the parish is now singularly inappropriate for modern ministry before proposing a genuine alternative based on the system of Anglo Saxon minster churches out of which parishes grew Encyclopedia of Early Christianity Everett Ferguson,1990 This single volume encyclopedia contains 977 articles by 135 qualified scholars of various academic and ecumenical backgrounds with coverage extending from New Testament times to approximately 600 A D Entries cover persons places doctrines and practices and include some articles on modern scholars important to the study of early Christianity The entries vary in length but each begins with a brief definition or identification followed by chronological or topical development Excellent short bibliographies following each article give patristic citations editions translations and studies The articles avoid technical language and provide good basic summaries of the material This work will be useful for teachers scholars and students as well as for reference work **The Churchman** ,1909 **Christian Faith and Life** ,1926 Great Britain and the East ,1926 **Investigations Representing the Departments** University of Chicago,1903
