Jesus the Way Edward Payson Hammond, 2005-12 Edward Payson Hammond spent much of his life and ministry traveling the world to preach the Gospel with a special emphasis upon children His labors were honored by men like C H Spurgeon Andrew Bonar W S Plumer and multitudes of others When he wrote letters to some of the leading ministers of the nineteenth century he asked their opinion about the vital subject addressed in this book the conversion of children Here are a couple responses he received My conviction is that our converts from among children are among the very best we have I should judge them to have been more numerously genuine than any other class more constant and in the long run more solid Charles H Spurgeon In awakenings that have been given us the cases of young people have been as entirely satisfactory as any cases we have had If conversion be God s work in which the Holy Spirit reveals Christ to the soul surely His work can take place in children as really as in the old Andrew Bonar This volume will immediately capture the attention of the youngest children as Hammond relates his experience of first entering his journey to the city of Jerusalem Each of the first four chapters is a moving appeal to children to turn from sin to trust the Savior of sinners The final chapter is addressed to those who have come to saving faith in the Lord Jesus Christ A powerful book to present the gospel to children 6 12 years old Publisher *A Plain Catechism: Or Familiar Instructions for Children in the Truths of Christianity..*, 1807 **The**
