Christ Of The 21st Century:

Christ of the 21st Century Ewert Cousins,1994-06-01 Cousins evaluates our present religious condition and reflects on the importance of tradition spirituality and mysticism in understanding ourselves and others **Jesus Christ for the 21st Century** John P. Cock,1999-01-01 **Christ of the 21st Century** Ewert H. Cousins,1992 **Christ's Team** Robert C. Frank,2009-08-17 The message of the book is that we are all called to be God s assistants with creation working together as Christ s Team to relieve suffering and improve the quality of life for all people Christians routinely say Your kingdom come your will be done on earth as in heaven as part of the Lord s Prayer to affirm their commitment to assist in the creation of a superior civilization This book will help the reader understand that role It is a book of hope a vision of an evolving Christianity requiring teamwork and the assistance of science Discussion questions are provided for use in Christian education classes to stimulate further thought **Why Jesus?** Geoff McIlrath,2016 **Confessing Christ in the Twenty-first Century** Mark Douglas,2005 Mark Douglas challenges the reader to think about how their confession is the basis for claiming not only a relationship to a saviour but a way of living in the world **A Passion for the Gospel** Mark Achtemeier,Andrew Purves,2000-01-01 These essays and sermons articulate the basics of the Christian faith and are by some of the best known evangelical voices in the Presbyterian Church today The main ideas in these essays are congruent with the basic theology contained in Union in Christ A Declaration for the Church which was adopted by the Presbyterian Coalition a group that seeks renewal within the Presbyterian Church Contributors include Elizabeth Achtemeier Joseph Rightmyer James Logan Scott Sunquist Charles Partee Catherine J S Purves Jeffrey Bullock Earl Palmer Clayton Bell Margaret Kim Peterson Peter Barnes Jack Haberer Sherron George James Singleton and others **Future Faith** Wesley Granberg-Michaelson,2018-03-23 In Future Faith Ten Challenges Reshaping the Practice of Christianity author Wesley Granberg Michaelson provides a lucid view of how the top ten winds of change blowing through global Christian faith are reshaping the practice of Christianity today He is uniquely qualified to identify and interpret connection points between global Christian trends and the American church Drawing on the stories examples and personalities of pastors and congregations from throughout the U S as well as those from Africa Asia Latin America who are the faces of Christianity s future Future Faith is designed to inform and empower followers of Jesus to seek new ways of becoming the face of Christ to a rapidly changing world Leaders and practitioners in church growth renewal and planting will be a primary audience for this book Students of religion from Catholic evangelical Pentecostal and historic Protestant streams will find this book an informative and stimulating resource for pondering together the future of their faith Small groups engaged in congregational nurture and growth will find in the author a welcome companion for guiding them through the multi cultural landscape of contemporary faith **The 21st Century Church** Dr. Charles Jackson,2018-03-15 after much prayer and meditation God spoke to me I combed through scriptures reading about the church and more about Jesus and His relationship with his

disciples especially focusing on Peter and his bond with the church What was its purpose Why couldn't the thoughts of the church the Body of Christ the pure meaning of its intent be left alone My brothers and sisters after countless days of tumultuous soul searching and restless nights God has revealed to me that the transformation begins with the acceptance of His Son However at times we are alienated and an enemy of Christ destitute by the wicked works of our minds Conversely through his sacrificial death He has reconciled us to present us holy unblameable and unproveable to himself When you journey through the pages of this book allow the process to continue Jesus works from the inside out The mind is the center for change As you continue to walk in Christ Let this mind be in you which was also in Christ Jesus Let this book be the compass that guides you back on course so that you too can become the church that Christ intended you to be Christian Witness in Pluralistic Contexts in the Twenty-First Century Enoch Wan, 2004-09-15 This volume is not a set of textbook answers on how to witness to Hindus Buddhists Muslims and people with other religions based on simple formulas It is the wrestlings affirmations and testimonies of those who have been deeply involved in ministries to people of other religious faiths and have thought deeply about the issues religious pluralism raises Paul G Hiebert Professor Emeritus Trinity Evangelical Divinity School **Being Human in an Artificial World** Geoffrey W. Cheong, 2024-06-01 The vision of Raimon Panikkar is to examine an understanding of the fulness of the human experience understood ultimately in the iconic image of Jesus the Christ This book aims to explore an understanding of his work in context context of the history of humanity the emerging integral era of perception the context of the contemporary secular society which he speaks of as an artificial life and the context of creation and the creator As creature he sees the secret of life in the inter relational nature of the three creature creation and creator The unique nature of this mysterious three way unity leads him to coin a term to speak of its nature as Cosmotheandric His extensive academic background of philosophy theology and science and the broad life of spirituality lived in the context of the interreligious world of both East and West equips well his mind to probe life's nature Of his many students Ewert Cousins asks the pertinent question of how to live Panikkar's vision It is the author's contribution to respond to Cousins question while drawing upon Panikkar's cosmotheandric concept by drawing upon contemporary knowledge through the model of the scriptural wisdom to love God and one's neighbour as one's self This he refers to as Relational Spirituality The integral era of history is appearing on the horizon of the global psyche to birth a new era of human mindfulness like never before Carl Jaspers has highlighted two major times of transition shaping humankind through the passing millennia that have moved humanity from a simple human life to the highly complex time of today Jaspers spoke of the transition in human consciousness through the millennium prior to the life of Jesus Christ as the First Axial Period of History Martin Heidegger Teilhard de Chardin Jean Gebser Ken Wilber Ewert Cousins Raimon Panikkar are some of the thought leaders of our time who have made major contributions to this understanding of the emerging Integral awareness For many the disturbing changes encountered on the surface of society ring loudly of crisis Secularisation is the dominant

life style primarily shaped by the cyber revolution and its Artificial Intelligence Most concerning is the range of questions humans face about their personal value and loss of substantial meaning Dr Cheong draws upon the great minds listed above in particular the work of Raimon Panikkar to map a pathway for growing more fully into an Integral way of life which he refers to as Relational Spirituality

The Church of Christ in the 21st Century Mark Adams,2012

Christianity in Crisis Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas

Early Christians of the 21st Century Chad Walsh,1950

Claiming Christ in the 21st Century Kevin Graham,2012-04 It is little wonder that many denounce believers in Jesus as hypocritical Even within the Christian community itself there exists a potpourri of conflicting definitions as well as comfortable traditions In today s world claiming Christianity is not a guarantee that one is Christian In*Claiming Christ in the 21st Century* author Kevin Graham would like to invite you back to biblical foundations to see what God records about true followers of Jesus Genuine identity is confirmed by the fruitful evidence of Jesus living throughout a person Come verify your own claims and bask in freedom from common religious scarecrows By the grace of God *Claiming Christ in the 21st Century* Finding Identity in the Fine Print will erase any vestige of spiritual uncertainty in how the Word of God applies to you today Filter out the stigmatism of what Bonhoeffer denounced as cheap grace and step into the light of what Scripture confirms as the meaning of Christians dwelling in him

Becoming a 21st-Century Church J. Fred Lehr,2017-10-03 Why are 80 percent of our congregations stagnant or dying There are a variety of reasons This book dives deeply into one of the main reasons the failure to adapt to the cultural changes of our day When the Reformation began 500 years ago it sparked a number of radical changes like

worshipping in the vernacular rather than in Latin etc that shocked the church Over time many saw the merit of those changes and adapted In the very same way today major cultural changes are taking place Is the church open to understanding those changes And are congregations making the necessary effort to appropriately adapt to them without compromising our central message the Gospel of Jesus Christ This transformational manual addresses the cultural shifts and provides practical and experience based ideas to appropriately respond while keeping a strong emphasis on the Gospel of Jesus Are you ready to become a 21st century church

Why Jesus? Geoff McIlrath, 2016 Why Jesus For some his name is a swear word For others his cross is a fashion accessory or a lucky charm For many Jesus Christ is considered irrelevant in a world that has moved on Contemporary attitudes reveal much indifference and ignorance towards him Why Jesus Challenges that consensus To trust and follow Jesus still makes perfect sense Take a fresh look at the one who claimed to be the Son of God and Saviour of sinners

Christ in Evolution Ilia Delio, 2008 Ilia Delio goes beyond the debate on evolution and intelligent design to reveal the Christ who is at the center of our lives in a complete universe She draws on mystics and theologians to locate the love of God at the heart of a total redemptive process not just physical but cosmic cultural spiritual and taking place in human consciousness Along the way she offers surprising insights on issues such as artificial intelligence technology the search for extraterrestrial life and most of all the meaning of Christ in our lives and our role as co creators Christ in Evolution is not an argument but a way of seeing the universe and our place in it with a vision that is ancient but ever new
