## **Christ Or Buddha:**

*The Noble Eightfold Path of Christ* Thomas Ragland, 2003 The ancient Theravada Buddhist canonical suttas the beloved Mahayana Buddhist sutras and the Tao Te Ching have been lovingly mined for concepts and realizations These ideas resonate with the heart of the teachings of Jesus the Nazarene as preserved in the Christian gospels Presented in the arrangement and context of Buddha's Noble Eightfold Path the truths presented are timeless and universal as a complete religion in themselves says the author The author describes the book as serving as the message of Jesus to the world in the context of Christian of Eastern thought and points out that it is not really a Christian work This is foremost a Buddhist writing devoted to the same Dharma that Buddha so loved and taught 2500 years ago It is presented through the teachings of the One who is called the Christ in the Western world Then again this is not really a Buddhist work as the linkage the author has made between the concepts of Christ and Buddha create a synthesis that transcends Christianity and Buddhism The heart of this Dharma cannot really be defined or confined by a system of thought It lives on the immediacy of the expression of those who take it to heart     A Broader Vision Richard Henry Drummond, 1995 Reveals startling similarities in the lives and philosophies of Gautama the Buddha and Jesus the Christ     **Christ Or Buddha?** Annett C. Rich, 1914     *Christ In The Immortal Glory Of The All-Wise Father Buddha Son Of Man*, 2005-03 Max Müller often recognized as the father of the history of religions made the prediction I believe the final struggle between Buddhism and Christianity whenever that comes to pass will be a hard one and will end in a compromise there is a prophecy This comparative study between Judaism Christianity and Buddhism is itself the key which opens the door to the understanding and fulfillment of that prediction The first comparative work is a surprisingly contrasting presentation of major teachings in opposition between Judaism and Christianity whereas the second study is equally profound in its revelation of the true spiritual relationship that exists between the Buddha and the Christ which is at the very heart of Max Müller's prophecy     *The Buddha and the Christ* Leo D. Lefebure, 1993 Cover title The Buddha the Christ Includes bibliographical references p 223 231 and index     *Buddha & Christ* Robert Elinor, 2000 Exploring the visual images produced by two of the world's great religions this text considers the cultural and spiritual translations that inform and support them focusing on three key principles Firstly it looks at how these images embody history myth and doctrine offering a comparative introduction to Buddhism and Christianity Secondly it invites readers to see similarities and differences between the images as local inflections of a universal archetype and the basis for dialogue between two faiths Finally it aims to make some of the world's most profound and moving art more accessible by illustrating and explaining its patterns and styles     Living Buddha, Living Christ Thich Nhat Hanh, 2007-03-06 Nominated by Martin Luther King Jr for a Nobel Peace Prize Thich Nhat Hanh is one of today's leading sources of wisdom peace compassion and comfort The 20th anniversary edition of the classic text updated revised and featuring a Mindful Living Journal Buddha and Christ perhaps the two most pivotal figures in the history of humankind each left behind a legacy of teachings and practices

that have shaped the lives of billions of people over two millennia If they were to meet on the road today what would each think of the other's spiritual views and practices Thich Nhat Hanh has been part of a decades long dialogue between two great contemplative traditions and brings to Christianity an appreciation of its beauty that could be conveyed only by an outsider In lucid meditative prose he explores the crossroads of compassion and holiness at which the two traditions meet and he reawakens our understanding of both On the altar in my hermitage he says are images of Buddha and Jesus and I touch both of them as my spiritual ancestors      *The Buddha-Christ as the Lord of the True Self* Fritz Buri,1997 This translation of a 1982 volume published in Bern Paul Haupt Verlag by a Swiss theologian with a longstanding interest in dialogue between Buddhism and Christianity features an examination of the Kyoto school of Japanese philosophers who attempted to engage with both Christianity and secular West      Christ or Buddha? Annett C. Rich,2015-06-11 Excerpt from Christ or Buddha The following treatise was written by the author at my request for the purpose mentioned in the first two paragraphs and being well fitted by years of study of both Eastern and Western Religious systems to undertake such a commission she has in my estimation given a most comprehensive view of the subject She has taken a most sympathetic attitude towards the Eastern teaching as becomes an enlightened soul Thus the spirit of this little book is not controversial in any sense for we do not believe in trying to build up our own religion by casting dirt upon that of other people We are just as sure that the religion of the East is perfectly suited to the people who live there as that the Christian religion is the religion for the Western people Were the Buddha teaching today and a student from the West asked his opinion as to whether he should follow him or the Christ I feel sure that he would direct the inquirer to The Light of the World and this little book is therefore sent forth in the hope that it may show Western students that their Religion is the Christian and that they should leave the Eastern religion to the Eastern people while embracing with their whole heart and soul the religion of the Christ About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Mah-Avatar the Christ/ Buddha/Krishna Consciousness Manifest in Man Lawrence D. Hood,2014-08-11 The purpose of this book is to make you aware of many different philosophical and religious approaches to the divine consciousness The truth lies beyond all these aspects of understanding There is a process that a person can embark on that will reveal the real and disperse the illusion The race of mankind is on the path to understand himself but is distracted continually until one begins to strive with diligence to return to your Godself      **The Buddha, The Prophet and the Christ** F. H. Hilliard,2021-11-29 Originally published in 1956 this book brings together from the canonical writings of

Buddhism Islam and Christianity the most important of the passages in which the view of the Founder is reflected It aims to let each of the sacred traditions tell its own story and only such comments have been added as seem necessary to bring out the full significance of the passage quoted The final chapter summarizes some of the difficult questions which arise from a comparison of the extracts from the 3 traditions      **The Lotus and the Cross** Ravi Zacharias,2012-04-18 Popular scholar Ravi Zacharias sets a captivating scene between Jesus Christ and Gautama Buddha in the first book of the Conversations with Jesus series Have you ever wondered what Jesus would say to Mohammed Or Buddha Or Oscar Wilde Maybe you have a friend who practices another religion or admires a more contemporary figure Drop in on a conversation between Jesus and some well known individuals whose search for the meaning of life took them in many directions and influenced millions Through dialogue between Christ and Gautama Buddha Zacharias reveals Jesus warm impassioned concern for all people and explores God s true nature      The Buddha and the Christ Burnett Hillman Streeter,1932      *Mohammed, Buddha, and Christ* Marcus Dods,1877      **Christ Or Buddha?** Annett C Rich,2020-05-02 Annett Riches Christ or Buddha is a decidedly western occult supporting document in an era wherein there was a fairly large scale debate among mystics over whether the occult should fundamentally be seen as Christianity supportive or as a largely Oriental series of systems It speaks about biology religious history Atlantis and the various human ages as posited by the occultists of the 20th century from a Rosicrucian perspective and concludes that in the case of that particular order properly understood their mysticism elevates Jesus above Buddha      **The Christ and the Bodhisattva** Donald S. Lopez Jr.,Steven C. Rockefeller,1987-07-01 In this book the authors explore and reconsider the contemporary significance of the Christ and the Bodhisattva The volume includes essays by three eminent Christian theologians Langdon Gilkey Brother David Steindl Rast and Ann Belford Ulanov that explore the significance of the Christ from the perspectives of the Roman Catholic contemplative tradition modern depth psychology and liberal Protestantism Drawing on information previously unavailable in English three distinguished scholars of Buddhism Robert Thurman Luis Gomez and His Holiness the Dalai Lama investigate the significance of the Bodhisattva in India East Asian and Tibet A substantive introduction sets the historical background for the Christ in Christianity and the Bodhisattva in Buddhism Contributors essays enhance our understanding of current presuppositions problems and prospects for the Buddhist Christian dialogue      **Jesus, Buddha, Krishna, and Lao Tzu** Hooper, Richard,2012-05-01 Draws parallels between different religious faiths by presenting side by side comparisons of four leaders teachings on topics such as knowledge suffering death and liberation along with commentaries for each topic      **The Dawn And the Day, Or, the Buddha And the Christ** Henry Thayer Niles,2005-12-01 Strange dreams by night and troubled thoughts by dayDisturb the prince and banish quiet sleep He dreamed that darkness visible and dense Shrouded the heavens and brooded o er the earth Whose rayless formless vacant nothingnessCurdled his blood and made his eyeballs ache When suddenly from out this empty voidA cloud shining with golden light was borne from Book IIThis collection of inspirational poetry first published in 1894

had almost been lost to obscurity now its song of faith and brotherhood and universal enlightenment is available to readers again A bridge of verse between Christianity and Buddhism it is a lyrical tale of unhappy princes and kings of India and their embrace of the Buddha and his wise lessons Seekers after peace will find solace in this serene work American lawyer and writer HENRY THAYER NILES 1829 1901 also wrote Railroad Transportation Its Regulation by State and National Authority 1881     The Buddha and the Christ - Reciprocal Views Ernest Valea,2009-01-09 This book is intended as an exercise in comparative religion for both Buddhists and Christians The author assesses how the teachings of the Buddha and the Christ relate to each other what they have in common and what is different and how the teachings of each would work in the context of the teachings of the other Could we see the Buddha and the Christ as complementary religious teachers of our world or as fulfilling a similar spiritual need in different parts of the world Could one have a kind of double spiritual citizenship by acknowledging both as his or her spiritual teacher Or would such a claim mean having a religious citizenship that is in fact neither Buddhist nor Christian     *Christ Way, Buddha Way: Jesus as Wisdom Teacher and a Zen Perspective on His Teachings* Tim Langdell,2020-07-15 Putting aside what you think you know about Christianity and Christ s teachings and reading the gospels again as if for the first time Jesus emerges as a profound wisdom teacher whose teachings had a lot in common with those of Buddha This book explores Christ s teachings on non duality and his guidance on how to reach unity oneness with God through what he called metanoia going beyond meta thought noia through kenosis self emptying What emerges is a strong connection between Christ s teachings and Buddhism that reveals Jesus was clearly familiar with Buddhist teachings By viewing Christ s teachings through the lens of Zen common themes emerge that enable the author to recreate what Christ called The Way Christ s Way is reconstructed as a practical guide to waking up to your true self to your Christ Nature just as the mystics and Zen masters have described The author reviews what we know about Buddhism in the middle east at the time of Christ the influence of Greek philosophy on Christ s teachings and the long history of Greek Buddhists that pre dates Christ He also considers The Gospel of Thomas as being a rich source of Christ s teachings the earliest version of which may pre date the gospels or the writings of Paul This book explores the deep truths of Christ teachings hidden in plain sight showing how when misconceptions about his teachings are removed what emerges is a whole new view of Christianity for the 21st Century Christ as wisdom teacher Christ as a teacher of non dual awareness and as a guide to living fully in the present moment
