Christ And The Kalashnikov:

Christ and the Kalashnikov Ian Loring, Paul Alkazraji, 2001 These are the inspiring stories of missionaries to Albania who have lived through bloody mayhem gang shoot outs and raids without losing hope The social anarchy that erupted following the collapse of Albania in 1997 led to chaos In Erseke townspeople stormed the military barracks for arms in the name of self protection while rival gangs battled each other The hospital was raided the police station burnt down schools were ransacked the church came under attack and hundreds were killed But missionaries Ian and Caralee Loring did not lose heart they trusted that God would provide a way through the violence and bloodshed Theirs is a gripping story of practical love in hair raising circumstances not only in their outreach to the Albanians but later to the homeless Kosovar refugees Providing a window into a world so distant from our own this book will not only inspire but will at times challenge as well It engages us with the stories of lives transformed many have found sanctuary and many more have found hope in the gospel

Christ: The First Two Thousand Years Martyn Whittock, 2016-03-18 How has Christ been seen for the last two millennia From the Christ of the Gospels to the Isa of Islam this book explores the way Jesus Christ has been viewed described promoted opposed and written about What did the word Christ mean in the first century and how did it resonate with the politics and religion of the time And beyond that how was Jesus seen in the New Testament and then onto the time of the Desert Fathers What of the heretical Christs and who decided and why And from the 2nd century onwards people started to draw and to paint images of Christ how did this change and develop The book then traces the history of Christ through the militant leader of the Crusaders via the multi faceted Christ of the Middle Ages and the opposing views of Him thrown up by the Reformation and the wars that followed Finally the authors consider the Christ of the technological age and the age of total war before looking also at the Christ of Liberation Theology Marxism the Developing world the Dalits other faiths and the Post modern Christ of the 21st century

Lermontov's Narratives of Heroism Vladimir Golstein, 1998 This is the first study of Russian writer Mikhail Lermontov 1814-41 that attempts to integrate the in depth interpretations of all his major texts including his famous A Hero of Our Time the novel that laid the foundation for the Russian psychological novel Lermontov's explorations of the virtues and limitations of heroic self reliant conduct have subsequently become obscured or misread This new book focuses upon the peculiar disturbing and arguably most central feature of Russian culture its suspicion of and hostility toward individual achievement and self assertion The analysis and interpretation of Lermontov's texts enables Golstein to address broader cultural issues by exploring the reasons behind the persistent misreading of Lermontov's major works and by investigating the cultural attitudes that shaped Russia's reaction to the challenges of modernity

Anglicans & Orthodox Between the Wars Bryn Geffert, 2003 **Jesus in History, Thought, and Culture [2 Volumes]** James Leslie Houlden, 2003-12-08 This unique multidisciplinary study views Jesus as one of the most central figures in history with a wide ranging impact on society literature art and philosophy Jesus in History Thought

and Culture distills 2 000 years of thinking about Jesus into two intriguing volumes In more than 200 A Z entries internationally recognized scholars summarize views of Jesus from the Gospel writers to contemporary theologians Not only does the book explore Christian liturgy and worship including the long lasting 4th and 5th century schisms over whether Jesus is human or divine but it examines the position of Jesus in the traditions of other world religions such as Judaism Islam and Hinduism Even outside religion little has been untouched by Jesus s influence Jesus affected social and political theory in his time and continues to do so today The encyclopedia also explores his changing image in art sculpture music and literature pulling disparate fields of study into one powerful resource Scholars students of theology and world religions and other interested readers will all welcome this unique resource Over 200 wide ranging A Z entries on the religious and secular influence of Jesus Over 100 contributors including distinguished international scholars from many religious traditions 80 photos including key works of devotional art from 2 000 years of religious painting and sculpture Numerous bibliographic references covering a wide variety of writing about Jesus

Secularism and Biblical Studies Roland Boer,2016-09-17

What is secular biblical criticism Secularism and Biblical Studies presents a selection of essays that examine the nature of secular biblical studies and its hermeneutical principles The essays outline and analyse debates within biblical studies over the issue of secularism and explore the interplay of atheism agnosticism and faith in the interpretation of the Bible The book argues for a hermeneutics of suspicion and a wider engagement with cultural literary and anthropological disciplines Examining biblical hermeneutics from a range of perspectives from Europe Israel and the USA Secularism and Biblical Studies offers a provocative and challenging approach that will be of interest to all students and scholars of the Bible

Nanomechanics and Micromechanics Satya Bir Singh,Alexander V. Vakhrushev,A. K. Haghi,2020-05-01 This volume enables readers to interpret and predict the effective mechanical properties of existing and emerging composites through modeling and design The book addresses that materials and structures with small scale dimensions do not behave in the same manner as their bulk counterparts Once the dimensions of the materials are reduced to the micron and sub micron range their properties are subject to significant change Thus mechanical properties will be varied and will depend on the sample size In the meantime due to the large surface to volume ration of small structures deformation mechanisms are subject to change This volume integrates various approaches in micromechanics and nanomechanics into a unified mathematical framework complete with coverage of both linear and nonlinear behaviors It weaves together the basic concepts mathematical fundamentals and formulations of micromechanics and nanomechanics into a systemic approach for understanding and modeling the effective material behavior of composite materials While providing information on recent developments in the mathematical framework of micro and nanomechanics the volume addresses highly localized phenomena and a number of interesting applications It also illustrates application of micromechanical and nanomechanical theory to design novel engineering materials
