Christ In Eternity Time:

Christ from Eternity to End Time Pierre Bittar, 2016-03-15 This book summarizes what the Bible says about God As indicated by its title it is about our Lord CHRIST FROM ETERNITY TO END TIME REVEALED THROUGH 24 PAINTINGS No one but God can explain eternity because it has always been and will always be Eternity was before the creation of the universe God was is and will ever be The end time is not the end of the world it is a time in which the church age will end The church age started 2 000 years ago when our Savior Christ the Lord came on earth The church age will end when the church will fail in its mission or when the majority of people turn their back on God In the book of Revelation which is the last book in the Bible our merciful God wanted to inform us about that end time what will happen and when it will happen It will be the time when all people dead or alive will be judged This judgment will be done by Christ and will separate those who believe in Him from those who refuse to follow Him Those who believe in Him will profit by being in God s light and enjoying His company in His heavenly Kingdom for eternity Those who refused to follow Him will spend eternity in Satan s dark hateful world Nobody knows the exact date of that end time But the Scriptures tell us through signs how close we are These signs started in 1948 when the state of Israel was officially declared and have since then been exponentially increasing If our merciful God has been informing us through His Holy Scriptures about that end time it is to prevent us from being surprised and warning us with the hope that we will repent before that judgment takes place Most informed believers agree that this generation marks the end time There is no smoke without fire God is using all possible ways to warn His people Maybe it is time to listen to His warning The main purpose of this book is to reveal who God is thus avoiding any further evil temptations and as explained above it is only by knowing Him that we will believe in Him I was inspired to paint several paintings about Christ after receiving a call from God That call has a purpose This book that God inspired me to write must have a purpose I am 80 years old God blessed me with a talent that gave me joy and prosperity I did not paint Christ nor write this book for any financial interest or personal glory It is God s will and I am His servant By revealing who God is through comprehensive text and inspired paintings this book will be appreciated by those who are seeking to discover or to know more about their God and creator They will live and memorize each scene or miracle thanks to 24 paintings representing the old land of Israel and its people Parents will be happy to use the paintings illustrated in this book to teach their children who their God is

Christ in eternity and time, 4 sermons Francis Tilney Bassett, 1871 *Time and Eternity in Christian Thought* Frank Herbert Brabant, 1937 The Expository Times , 1892 *Kingdom Come* Gregory J. Liston, 2022-07-28 Engaging eschatology as a pivotal vantage point this book utilizes the methodology of Third Article Theology to examine the intrinsically pneumatological relationship between the Church and the coming kingdom The overarching thesis developed is that exploring the relationship between Church and kingdom through the lens of the Spirit enables the construction of a nuanced account of the Church s ongoing transformation an eschatological Third Article Ecclesiology The Church as pictured

in this volume is the proleptic anticipation of the coming kingdom Through enabling Christ's kingly presence the Spirit draws back to the present Church characteristics of the coming kingdom This enriches influences and transforms the present Church towards its intended telos

The Judeo Christian Thought of Franz Rosenzweig offers a new interpretation of Franz Rosenzweig's magnum opus The Star of Redemption commonly treated as one of the high points of modern Jewish thought and demonstrates its profound immersion in the Protestant conceptuality of its time It argues that appreciating the decisive mark of Protestant thought on The Star solves many of its puzzles challenges some entrenched hagiographic orthodoxies about Rosenzweig and provides a unique perspective onto one of the most influential cases of the Protestantisation of Judaism The book shows that Rosenzweig's inventiveness resides in his weaving of Jewish and Christian motifs that result in an original scheme that is remarkably inclusive toward Judaism from a Christian perspective and remarkably inclusive toward Christianity from a Jewish perspective The Star thus emerges anew not simply as a work of Jewish thought that is influenced by Christian theology but as a work that is more accurately characterised as Judeo Christian

Divine Providence and Human Agency Alexander S. Jensen, 2016-05-13 Divine Providence and Human Agency develops an understanding of God and God's relation to creation that perceives God as sovereign over creation while at the same time allowing for a meaningful notion of human freedom This book provides a bridge between contemporary approaches that emphasise human freedom such as process theology and those influenced by it and traditional theologies that stress divine omnipotence This book argues that it is essential for Christian theology to maintain that God is ultimately in charge of history otherwise there would be no solid grounds for Christian hope Yet the modern human self understanding as free agent within certain limitations must be taken seriously Jensen approaches this apparent contradiction from within a consistently trinitarian framework Jensen argues that a Christian understanding of God must be based on the experience of the saving presence of Christ in the Church leading to an apophatic and consistently trinitarian theology This serves as the framework for the discussion of divine omnipotence and human freedom On the basis of the theological foundation established in this book it is possible to frame the problem in a way that makes it possible to live within this tension Building on this foundation Jensen develops an understanding of history as the unfolding of the divine purpose and as an expression of God's very being which is self giving love and desire for communion This book offers an important contribution to the debate of the doctrine of God in the context of an evolutionary universe *Theism and the Christian Faith* Charles Carroll

The New Testament of Our Lord and Saviour Jesus Christ: The Epistles and Revelation ,1884 You and Jesus are Twins Joseph Edhuine,2024-10-31 Praise for Jesus and You Are Twins We have always believed a book is a set of writings that define the author s theme But when it becomes a clarification leading us to a denser and deeper spirituality then we are not only in front of the writings but we dive into knowledge that will never leave us as we were before being in possession of these revelations The relationship between Christ and us is clearly detailed by the theme of this tool of knowledge and spirituality Jesus and you are twins Daring to say it and explaining it well as was done in this book today allows Christians to reach a level of a spiritual relationship with Christ that makes us enjoy all the benefits of the person of Christ and His great power The beauty of Joseph Edhuine s book is the fact that it leads us not only to discover our relationship with Christ but also to love Him deeply and put Him in our lives in a position that no one and nothing can replace The discoveries of this work reveal to us all the beauty and value of belonging to Christ Thanks to the revelations in this book the idleness of the Christendom of many will be transformed without forcing into a fervor for Christ with a life full of demonstrative proofs of Christ through His life in us as twins Pastor Levi Kongolo Kazadi Jesus Light for Nations Mission Congo *Nelson's Introduction to the Christian Faith* Stephen L.
