Christ Our Revelation:

Jesus Christ Our Lord John F. Walvoord, 1969-06-01 Of the life and work of Jesus the apostle John said Even the world itself could not contain the books that should be written John 21 25 Acknowledging the size of the task as well as its importance Dr John F Walvoord has written this systematic presentation of the Person and work of Christ from eternity past to eternity future Beginning with an analysis of modern trends in the study of Christology Dr Walvoord shows that contemporary Christology has in many respects confused rather than clarified the extended revelation of the Word of God The Word of God forms the solid basis for Dr Walvoord s entire study Analyzing the Old Testament he shows Christ in its history typology and prophecy Then in the New Testament he examines the life and work of the incarnate Christ The doctrines of atonement redemption propitiation and reconciliation are thoroughly and clearly discussed The book concludes with an examination of the present and future work of Christ thus giving the reader a comprehensive study of Christology

The Revelation of Jesus Christ John F. Walvoord, 1966-01-01 This tremendous exposition of the capstone of Scripture issues from years of teaching dedicated study and sound evangelical scholarship The author defends the premillennial position but at crucial points considers other views as well **Christ Our Revelation** Jeanne Guyon, 1985 *Here Is Our God* Kathleen Nielson, D. A. Carson, 2014-05-31 I saw the Lord sitting upon a throne high and lifted up Isaiah 6 1 Scripture records a number of instances in which God visibly revealed himself to his people offering a glimpse of his stunning beauty and overwhelming glory These awe inspiring manifestations of God s presence known as theophanies give us wonderful insights into his character will and salvation In this collection of biblical expositions eight prominent Bible teachers explore key passages in which God displayed himself in a spectacular revelation From the giving of the law at Mt Sinai to Christ s glorious transfiguration the passages examined in this book challenge us to look afresh at our God that we might truly know love and serve him **The Central Line of the Divine Revelation** Witness Lee, The divine revelation in the holy Scriptures follows a central line concerning the person and plan of our unique Triune God This revelation is progressive beginning with God in Genesis 1 1 and culminating in the all inclusive Christ in Revelation The sixty six books of the Bible reveal that the center and highest point of the divine revelation is Christ who today is realized in our experience as the life giving and indwelling Spirit In this Spirit we have everything related to the Triune God including the all inclusive death the powerful resurrection and all the unsearchable riches of Christ The central line of the Bible reveals that our wonderful Triune God who is our portion and day by day supply desires to impart all that He is into us to constitute and build us up as the Body of Christ In The Central Line of the Divine Revelation Witness Lee fully unveils this central truth beginning from Genesis and concluding in Revelation with the New Jerusalem The Book of Revelation Bishop Audrey Drummonds Ph.D., 2016-02-24 Volume 2 is a continuation of our study on the Book of Revelation as pertained to who we are today in Christ Jesus It was never meant to be a book full of tormenting fear that would cause us to want to leave this world but through the mind of

Christ we have access to our heavenly inheritance to live in our Christ identity today The Bible is a book written by God and the formation of His family When we believe and understand the revelation of Christ already in us we are shaped into His image so that when others see us they see their Heavenly Father When Jesus said It is finished was he just making a way for personal salvation with God or was there a bigger picture Have death and the judgment seat been appeased or is there something more that we are required to do John 14 12 says Verily verily I say unto you he that believeth on me the works that I do shall he do also and greater works than these shall he do because I go unto my Father For over two thousand years the body of Christ has been like kings and lords hiding in a cave waiting for a someday when they get to heaven to receive their inheritance as a son of God When Jesus died he gave us the ram s horn to declare that our jubilee is here now for us to receive This book continues with the Holy Spirit s instructions for our spiritual process that must take place individually and then corporately in each child of God to walk in the authority and power as His son What He created in spirit must come forth in the flesh with His image and likeness We must know in our heart that we are an offspring a portion of the original

The Revelation of Jesus Christ Stephen Kaung, The book of revelation is the last of the sixty six books of the Bible As such it is the concluding word of God and therefore occupies a special position Whereas a blessing is attached to its reading a curse is pronounced against anyone adding to its text thus reflecting how very important is this book of God s word The content of this present work which will be two volumes in length comprises the text of what were two separate series of messages on Revelation spoken by the author in respectively the year 2007 and back during the 1950s After these many years and inasmuch as we sense the return of the Lord Jesus to be increasingly imminent we believe that there is a need to make these spoken words available in print in order that many more of God s people may receive the promised blessing It is our prayer that all who shall read this book will receive God s blessing in their being better prepared for the imminent return to the earth of our blessed Lord Jesus Christ Revelation M.R. DeHaan, 2015-05-07 Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length

on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book

- 1 Revelation is not a dark book It is a revelation
- 2 It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole
- 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign
- 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself
- 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details

Revelation Gerald O'Collins, 2016 Since the late 1980s the theme of God's

self revelation has been treated only briefly in Christian theology at times simply ignored and often confused with biblical inspiration Revelation Towards a Christian Theology of God s Self Revelation lays out its basic characteristics and begins by distinguishing between revelation in the primary sense a living encounter with God s self disclosure and in the secondary sense statements of faith derived from that encounter or propositional revelation It considers revelation as transforming and informing as being sacramental or mediated through words and deeds as communicated through an endless variety of means and mediators as related to but distinct from biblical inspiration and truth and as reaching those of other faiths or of no faith at all Gerald O Collins skilfully distinguishes between past or foundational revelation present or dependent revelation and future or eschatological revelation He expounds with ecumenical sensitivity the complex relationship between tradition and scripture O Collins moves into controversial areas by insisting that the divine self revelation takes place only when received by human faith and that outside revelation there is no salvation extra revelationem nulla salus This volume offers a coherent account of God s self revelation which can serve as a basis for all that follows in theology and for dialogue with those who follow other living faiths or none at all O Collins extends and enriches what he has proposed in earlier books and articles about the characteristics of God s self revelation

Jesus Christ Our Lord C. Norman Kraus, 2004-08-06 In response to readers comments this revised edition provides helpful clarifications charts and expanded notes and references Kraus in a theological description of Jesus Christ offers answers to questions of Jesus identity and the nature of the revelation salvation which came through him This anticipates his volume God Our Savior dealing with implications of Christ s revelation for other data of theology such as God humankind the Holy Spirit church and eschatology For many years the idea of vicarious suffering to atone for the sins of humanity has not been self evident in Western culture to say nothing of the cultures of Asia Western theologians have presupposed Roman categories of guilt and legal penalty as the framework for their explanations However this has been unsatisfactory in cultures where social tradition and shame are primary moral sanctions Observing that the biblical cultural context was more oriented to shame than to a legal concept of guilt Kraus has reinterpreted the meaning and efficacy of the cross as the means of God s salvation Such a reinterpretation requires that one also reevaluate the theological definition of Jesus person How one understands what he did for us is closely related to how one understands who he was His identity and role mutually impact each other Thus one must ask Who was this one who reconciled us to God by suffering the shame of our sin In answer Kraus finds concepts of self identity and self revelation most helpful Jesus the self revelation of God to us is God giving himself to us That self revelation comes as a self giving and only in the form of a genuinely personal historical and human relationship In all of this the author intends to present an authentically biblical picture of Jesus but in the context of modern language and thought forms

Christ Our Study ... Peter M'Lachlan, 1857

The Revelation of God's Love Through Jesus Christ Mathew Simon, 2020-12-02 Many people have the wrong idea about God They see Him as a harsh judge that must be pleased by our many works But Jesus Christ came to reveal God who loves us so much that He forgives our sins if we simply believe The Bible reveals how God loves the world so much that He sent His only Son Jesus Christ to fulfill the Law Jesus died on the cross for our sins He was buried and rose from the dead on the third day Jesus established a New Covenant offering the free gift of the forgiveness of sins righteousness of God and eternal life to all who believe in Him Mathew Simon s book explains the Gospel of Jesus Christ the love of God the grace of Jesus Christ It also describes the clear difference between the New Covenant and the Old Covenant The New Covenant is all about Christ s finished work that brought us salvation The Old Covenant is all about man s efforts that failed We are righteous by faith and not by works The Law demanded perfection from man This is why Jesus Christ gave the full extent of the Law to Israel in the 3 Synoptic

Gospels All of the impossible demands were before the cross under the Law But after the cross we see the Gospel of Grace We are made righteous by faith without any works God not only saves us but also bears fruit in us by the Holy Spirit in us We will understand how not to mix Grace with the Law We will be set free by understanding the truths about confession of sins Lord s prayer repentance faith and works we cannot lose salvation etc Believers will be set free in the knowledge of God s love through the Gospel of Jesus Christ The Book of Revelation shows the last days of Israel in the 1st Century during the Great Tribulation We don t need to fear the mark of the beast the antichrist All of those events ended in the 1st Century We look forward to the 2nd coming of Christ as the final event in the world Revelation John Walvoord, Philip E.

Rawley, 2011-04-01 The book of Revelation has long fascinated and even confused readers and students of the Bible Yet the Bible is written to be understood and Revelation is no exception Who better to help you understand the seals trumpets vials woes and plagues than John F Walvoord one of evangelicalism s most prominent leaders and Mark Hitchcock today s leading Bible prophecy expert In this first in a renewed series of commentaries from Dr Walvoord he points out that much of the book s symbolism can be interpreted literally At key points different views and approaches to interpretation are explored Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language Refined updated with the English Standard Version ESV and streamlined this classic text is set to help you interpret the last book of the Bible and gain a better grasp of current trends and the climax of history **Revelation** Scotty Smith, 2020-08-24

When the difficulties of life suggest that evil and chaos reign we need to see that God occupies the throne in heaven and rules this world In this fourteen week study of Revelation pastor and author Scotty Smith reminds us that in troubled times our hope is in our champion Savior who is with us and will one day make all things right *Joy in Our Weakness* Marva J. Dawn, 2002-07-08 Neither a commentary on the book of Revelation nor a devotional work though it offers aspects of both *Joy in Our Weakness* is instead a theological and practical guide that ushers readers into the very presence of Christ and His Lordship over the powers of evil Marva Dawn writes compassionately for those who suffer for this book was born out of her own struggles with physical limitations and chronic illness and it is intended to help the whole Church learn how to find Joy in every circumstance of life especially in trials and sufferings After outlining some important foundational principles in three introductory chapters Dawn guides readers through the whole book of Revelation pointing out the errors of those who try to calendarize the end of the world and instead delineating how The Revelation reveals Christ s Lordship exposes the workings of the powers and sustains those who suffer until evil is ultimately defeated Now thoroughly revised for a wider readership *Joy in Our Weakness* highlights The Revelation s original purpose to comfort afflicted suffering believers and spells out a biblically grounded theology of weakness offering a rare gift to the Church today A wealth of insight and encouragement truly awaits the readers of these pages **The Revelation** Oliver B. Greene , 2015-11-20 The principle upon which this verse by verse study of Revelation proceeds is that the contents of the book are in the main yet future and that the fulfillment of the greater part of

Revelation cannot take place as long as the Church remains here on earth When the Lord JESUS comes in the Rapture and the Church is caught up to meet Him in the air then the events in Revelation from chapter four through chapter twenty two will occur The New Testament Church CHRIST s body and His bride is now in the process of being called out and will be completed when the Rapture occurs This is known as the Church Age or the Dispensation of Grace During this dispensation both Jews and Gentiles are being saved and they all become members of the same body I Corinthians 12 12 13 The New Testament Church is not a subject of prophecy but is a New Testament revelation Matthew 16 16 17 Ephesians 3 Before our very eyes in this day political and religious events are taking place which point to the end of this age of grace But after the Rapture the seventieth week of Daniel s prophecy Daniel 9 27 will bring about startling changes here on this earth The entire political system will be rearranged under Satan s prime minister the Beast of Revelation A gigantic confederation of ten powers will rule The old Roman Empire in all of its power and glory will appear under new conditions It will be guided and controlled by the Little Horn of Daniel 7 known in the New Testament as the Beast His partner in murder and crime is the Antichrist who will be the religious dictator and the head of the world church which is now in the making What the Beast does politically the Antichrist will do religiously The two will control all political and religious activity here on earth Bear in mind that this takes place after the Rapture of the church Revelation 3 10 I Thessalonians 5 9 Just before the King of Kings overthrows the Beast and the Man of Sin everything that is vile religiously will head up under the leadership of the whore the mystical Babylon Mystical Babylon will be overthrown by the ten kings Revelation 17 16 who at first were with her and upheld her in all of her vileness but who later turn to destroy her The ruin of the great whore is lamented by the kings the merchants and the people outside the Roman Empire Revelation 18 9 18 The final destruction and annihilation of the great whore will be by Almighty God Himself Revelation 18 2 21 24 This will take place shortly before the destruction of the Beast The Beast will be destroyed by the Lord in person when He comes in mighty power read Revelation 19 The destruction of mystical Babylon and the destruction of the Beast are separate events The destruction of mystical Babylon precedes the destruction of the Beast The events recorded in Revelation chapters four and following cannot take place as long as the Church is here on earth Evil at the present is actively at work and the mystery of iniquity is already working But the mystery of iniquity is restrained kept in check by the Holy Spirit II Thessalonians 2 6 7 The presence of the New Testament Church and the presence of the HOLY GHOST restrain the development of the mystery of iniquity The church of the Antichrist cannot be revealed and the faith cannot be totally annihilated from the visible Church until the church at Philadelphia Revelation 3 7 is raptured to meet the Lord in the air and until the Laodiceans are spued out and remain here on the earth However the principles are at work which are surely and rapidly undermining the moral foundations of the professing church and of society in general The stage is set and the higher critics are doing all in their power to undermine the faith **"The Eyes"** Didi V de Dios, 2023-01-14 This book is about a private revelation from Jesus Christ to an ordinary lady with an extra ordinary

life that started when she was visited by Jesus Christ in bodily form She received messages and revelations with heavenly miracles signs and wonders that some were captured in photos Some of His messages were written in essay form regarding erroneous Catholic dogmas and doctrines This book will narrate her and her family s struggles from the afflictions they endured before during and after her private revelation In her long suffering life she was able to have the redeeming power of a spiritual awakening that she achieved during her personal relationship with Jesus Christ the gospel readings that she read after her private revelation and the ongoing presence and visitation of Jesus Christ in her life With His illuminating light literally and figuratively in her life she and her family became overcomers and survivors through her pivotal spiritual transformation with Jesus Christ who never left her especially in her times of weakness and attacks from the enemy With their unwavering faith righteousness kindness charity good will and works and a leap of faith their sufferings turned to blessings and their sorrowful life of affliction turned to joyful and peaceful lives with much more promises that will lead to the heavenly kingdom This will further reveal her real identity as an angel and some of the other angels present in this world and lifetime She was able to achieve peace and higher perspective with wisdom the gift from the Holy Spirit and the ability to conquer hurdles of whatever life threw at her and her family She was taught and trained discernment tactics of the enemy and how to fight the enemy with the armor of God In times of weakness Jesus Christ will take over and she will become a medium And with the same providence with the Holy Spirit she was able to accomplish her mission to write this book and her other books Included in this book are false revelations that mislead souls It will further include world news that are relevant to the Book of Revelation She is the messenger of Jesus Christ with Divine providence and guardianship of archangel St Michael
