of 1 Peter and experience the resurrection life Jesus offers us today Lifted Sam Allberry,2012 The resurrection is usually only mentioned in the context of Easter and apologetics but what if it is more than an event Amaze yourself at how significant the resurrection is in four important and practical ways *Experiencing the Resurrection Study Guide* Henry Blackaby, Mel Blackaby, 2010-03-31 The study guide that will help you experience the powerful reality of Christ's resurrection Moment by moment day by day What does the resurrection of Christ really mean for us What does it reveal about the heart and mind of God And what real differences can the miracle of the resurrection make in your life today Discover answers to those and other questions as you examine God's Word with this companion study guide to the book *Experiencing the Resurrection* by Henry Blackaby and Melvin Blackaby Packed with practical notes advice and questions for reflection this highly interactive guide ideal for small group or individual use shows you how to witness Christ's resurrection in and through your life Each chapter of the book is explored in a flexible one week format with life change objectives that arise from applying the truth for each day to your life *Resurrection Life Now!: How to Rise Above It All and Live Life to the Fullest* Anne Gimenez, 2012-10-02 Do you know what God has called you to do A lot of people don't know what to do or which way to turn But even if you pretty much know what you are supposed to do you may be having a terrible time trying to do it You may take a leap of faith and instead of landing on your feet you find yourself bottoms up You press forward two steps and get pushed back three steps Even though this may be going on around you or to you Jesus is still the answer and that is the truth In this book you will explore the reality of what that means to you right now living on planet Earth facing the world in which you live After all if Jesus doesn't make a difference then we all might as well sit down and quit Most of us have never comprehended that in Jesus we have a life of power and not just any kind of power This is power that raises dead things to life Resurrection power for a resurrection life and resurrection life is how Jesus is the answer By reading this book You can learn how to overcome the world and fulfill your divine destiny so grab hold of His Resurrection Life Now **The Resurrection Life** Isaiah Villars, 1881 *The Resurrection and Immortality* William West, 2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to

be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment Life in the Face of Death Richard N. Longenecker, 1998-08-19 This book brings into focus the resurrection message of the New Testament The chapters demonstrate how the resurrection both provides the basis for joyful living now despite the shadow of death and undergirds the Christian belief in a future after death The Resurrection of Jesus Christ W. Ross Hastings, 2022-02-08 The resurrection of Jesus Christ is one of the best attested facts of history But believing in the resurrection is one thing Knowing what it means is another Although much has been written about the apologetics of the resurrection little has been written about its theological meaning This book reveals the hidden depths of the theological significance and ongoing relevance of the resurrection of Jesus Christ for our being our salvation Christian life ethics and our future hope *The Resurrection & the Life* Stephen J. Binz, 2006 Jesus said I am the Resurrection and the Life Jesus is God's greatest victory and likewise he is the fulfillment of humanity's deepest longing Because of the resurrection of Jesus a new age has dawned and life will never be the same again What exactly did happen on Easter morning Why did it impel the disciples to begin a journey which would transform the world What does this mean to us here where we live today This book will help you understand what the Scriptures teach us about our own resurrection and how that hope gives purpose to everything that we do *Resurrected to Eternal Life* Jürgen Moltmann, 2021-04-13 In this deeply personal and daring meditation eminent theologian Jürgen Moltmann challenges many closely held beliefs about the experience of dying the nature of death and the hope of eternal life Moving deftly between biblical theological and existential domains Moltmann argues that while we know intimately the experience of dying both our loved ones dying and ultimately our own death itself is a mystery Are those who have died in fact dead If the dead are alive how or in what respect When the dead awaken to eternal life who wakes Moltmann's interrogations yield surprising and beautiful fruits The living soul that awakens to eternal life is not a ghost in a machine but the Lebensgestalt the shape and story of a life its human and divine contexts its whole Drawing on themes from his oeuvre's entire arc *Resurrected to Eternal Life* testifies to the inner unity of Moltmann's theology the cross the Spirit the kingdom the end and the hope that makes the end present here and now Seasoned readers of Moltmann will find in these pages a capstone of a lifetime of theological exploration while those new to his complex thought will find a concise and elegant entry point into his voluminous work *A Better Hope* SAM ALLBERRY, 2020-07-16 Hope is far bigger than wishful thinking Biblical hope is

something certain and firm that keeps us going when life is tough and inexplicable and when the bottom drops out of our world Hope transforms everything Hope lifts the pressure off us turns our eyes to a bigger picture For the Christian the Resurrection means that we have real genuine hope in this life and beyond for eternity We are trusting in Christ not ourselves and he is the gateway to lasting hope peace and joy We have a better hope In this short conversational book Sam Allberry invites us to consider what the Bible says about this better hope The gospel persuades us to base our lives on something secure not flimsy something lasting not temporary Millions have done so and have never regretted it Discover how the Resurrection offers you a better hope This e book extracted from the 2010 volume **Lifted Union with the Resurrected Christ** G. K. Beale, 2023-04-25 Southwestern Journal of Theology 2023 Book Award Biblical Studies Union with Christ is an important theological and practical concept that has received considerable attention in recent years But not much consideration has been given to this union and its benefits in light of Jesus s resurrection and ascension In this follow up to his monumental A New Testament Biblical Theology G K Beale summarizes and expands on that work with an eye to fleshing out the theological implications of the resurrection and ascension Beale explains that Christ s resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom Specifically Christ is the fulfillment of a cluster of nineteen Old Testament end time expectations These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him Through careful exegesis Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new Students of the New Testament will benefit from this important contribution to New Testament theology [This Changes Everything](#) Ray Johnston, 2012-01-06 This Changes Everything explores thirty practical ways the Resurrection changed the lives of early believers and can transform us today **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986**, 2001 **Releasing Resurrection and Revival from the Courts of Heaven** Robert Henderson, 2022-02-15 Do you need to experience Resurrection or Revival in any area of your life Many Jesus followers are sleepwalking through their Christian lives They wear a smile attend church gatherings and try their best to make it through but they don t really expect answered prayers breakthroughs or a miraculous change in their situations
