The Gospel According to Micah Dr. Micah L. Caswell, 2022-11-08 Most people do not understand elements of the gospel that are emphasized in the minor prophets For example without the minor prophets we are at risk of not cherishing or fearing the day of the Lord Joel 2 Likewise we'd fail to understand and appreciate themes like the wrath of God Micah 2:3 and social justice Micah 6:8 in light of the Christ event Micah is often overlooked but this commentary presents a compelling case for why he matters The author argues that while Micah is often lumped in with minor prophets he deserves to be taught on his own He also suggests that while many have read and preached Micah they have missed the gospel For instance a minor prophetic book like Micah is sometimes used by advocates for social justice to advance a progressive social gospel agenda which runs the risk of applying the text in a way that urges people toward progressive political positions disconnected from Jesus Take Micah back and marvel at the glory of

the Lord with the insights and commentary in *The Gospel According to Micah* **Christ** Dan Namanya DMin, 2020-12-18

Letters to My Students Jason K. Allen, 2019-07-30

Few books have more influenced those called to gospel ministry than Charles Spurgeon's *Lectures to My Students* This influence of this book like the Prince of Preachers himself reverberates to our present age Carrying forward this tradition is Jason Allen's *Letters to My Students* Dr Allen serves as president of Midwestern Baptist Theological Seminary and Spurgeon College the former ranking as one of the largest and fastest growing seminaries in North America Dr Allen has also served in multiple pastorates His passion to serve the church by equipping a generation of pastors missionaries and ministers for faithful service is reflected in *Letters to My Students* *Letters to My Students* is a biblical accessible guide for ministers and ministers in training It brings both biblical and practical wisdom to bear on the minister's three main responsibilities preaching leading and shepherding the flock of God Martin Lloyd Jones famously described the call to ministry as the highest greatest and most glorious calling to which one can be called If this assessment resonates with you you'll want every

available tool to strengthen your ministry Letters to My Students is one such resource **Handbook of Contemporary Preaching, 2nd Edition** Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching Don't Quit Your Church Jeffrey D. Brown, 2017-07-26 Don't Quit Your Church is a foundational philosophy of ministry that serves two distinct purposes First it serves as hope for struggling ministers who are suffering from perceived failure in the ministry and are strongly considering resigning their current position Secondly it offers insight to those who are at the beginning stages of discovering a biblical and unique approach to ministry The clergy of the postmodern era are in crisis The level of today's challenges have reached fever pitch and the church throughout most of the world is not able to hold her own ground When the daily news informs those of faith that the good fight is turning into a rout the church is forced to rethink her strategy This begins with the minister The stability of the minister's purpose and calling are of the utmost importance Unfortunately today's minister lives with many misconceptions about the work of the calling This has resulted in frustrated pastors consistent discouraging results souring relationships and eventually the minister chooses to walk away Don't Quit Your Church is a plea for the struggling minister to move from emotional reaction to thoughtful consideration and from frustration to resolve Serving as both a foundational philosophy of Christian ministry and a help in time of trouble this work should be read and reread by those who desire a ministry and approach that will endure during the difficult days ahead **Giving Blood** Leonard Sweet, 2014-03-25 A Groundbreaking Resource for Preaching If the church wishes to converse effectively with a culture it must learn the culture's language Today shifts in technology mean that language is increasingly one of symbols and metaphors stories and images not words So what does this mean for the sermon that long standing word based tradition of Christianity In this ground breaking resource bestselling author Leonard Sweet offers an alternative to traditional models of preaching one that is fitting to a new culture and a new mode of thinking The first book of its kind to move preaching beyond its pulpit centric fixation and toward more interactive participatory modes of communication Sweet presents both a challenge and a path forward for a church struggling to maintain its relevance in a post modern media saturated culture

Preaching to Be Heard Lucas O'Neill, 2019-02-13 If a sermon is preached in a church and no one is listening does it make a difference There are many expository preachers who forego dynamic delivery and many dynamic preachers who lose sight of faithfully communicating the biblical text Too often preachers feel they have to choose one or the other But dynamic delivery and faithful exposition are not mutually exclusive In Preaching to Be Heard Lucas O'Neill shows pastors that presenting engaging sermons that are biblically focused is not an impossibility In fact the key to commanding attention lies in the text itself Rather than relying on tricks or gimmicks his approach to sermon writing focuses on maintaining tension throughout while sticking close to the biblical text Using practical examples and a step by step method O'Neill shows pastors

how relying on the inherent anticipation within Scripture can lead to sermons that are powerful and heard **Wisconsin Lutheran Quarterly** ,2007 *Perspectives* ,1994 **Books in Print** ,1994 **Index to Book Reviews in Religion** ,1998 **Subject Guide to Books in Print** ,1997 **American Book Publishing Record** ,2003 **Preparing Expository Sermons** Ramesh Richard,2001-11-01 The Bible is what God has made Sermons are what we make with what God has made This is the foundation for developing expository messages according to Ramesh Richard His method explained in **Preparing Expository Sermons** has been field tested in training seminars for thousands of preachers around the world Richard s book is a simple do it yourself resource for developing and preaching expository sermons It guides the reader through a seven step process with many practical suggestions and illustrative charts along the way In addition there are eleven appendixes that include information on o how to choose a text o preaching narratives o understanding your audience o forms of sermon introduction A comprehensive sermon evaluation questionnaire is included as well **Preparing Expository Sermons** an updated and expanded version of **Scripture Sculpture** is ideal for beginning preachers lay preachers without formal training or any pastor who is looking for a refresher course in expository sermon preparation
