Chinese Families in the Post-Mao Era Deborah Davis,Stevan Harrell,1993-10-02 This collection of essays concerns both urban and rural Chinese communities ranging from professional to working class families The contributors attempt to determine whether and to what extent the policy shifts that followed Mao Zedong s death affected Chinese families

Historical Dictionary of Taiwan (Republic of China) John F. Copper,2024-10-08 Taiwan is a place of contradictions Its successful economic and political modernization has stimulated the imaginations of most observers Still its nation state status has been constricted and weakened It covets and pursues peace yet it is a vortex actor in global strategic military competition It is small yet its importance far exceeds its size It has long occupied a crucial place in history even though it has not sought this status yet it appears inevitable that it will continue to do so Historical Dictionary of Taiwan Republic of China Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Taiwan

Is Taiwan Chinese? Melissa J. Brown,2004-02-04 Annotation Melissa Brown looks at the issue of Taiwan specifically whether or not the Taiwanese are of Chinese Han ethnicity as is claimed by the Chinese government or is there in fact a Taiwanese ethnicity that is in fact unique unto itself as the Taiwanese claim

Asian-american Education Meyer Weinberg,2012-12-06 Asian American Education Historical Background and Current Realities fills a gap in the study of the social and historical experiences of Asians in U S schools It is the first historical work to provide American readers with information about highly individual ethnic groups rather than viewing distinctly different groups as one vague global entity such as Asians The people who populate each chapter are portrayed as active participants in their history rather than as passive victims of their culture Each of the twelve country specific chapters begins with a description of the kind of education received in the home country including how widely available it was how equal or unequal the society was and what were the circumstances under which the emigration of children from the country occurred The latter part of each of these chapters deals with the education these children have received in the United States Throughout the book instead of dwelling on a relatively narrow range of children who perform spectacularly well the author tries to discover the educational situation typical among average students The order of chapters is roughly chronological in terms of when the first sizable numbers of immigrants came from a specific country
